About Prague

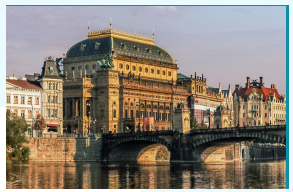

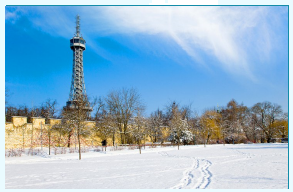

Prague, the capital city of the Czech Republic, is nicknamed as the City of a Hundred Spires. It is also the largest city of the Czech Republic. Located in the north-west of the country on the Vltava River, the city is home to approximately 1.3 million people while the larger urban zone approximately carries a population of 2.2 million. The city is known for its Old Town Square, the heart of its historic core. The Prague Astronomical Clock, the Jewish Quarter, the Gothic Charles Bridge, the the Palace Gardens and Prague Castle are a few of the main attractions of this beautiful capital city.

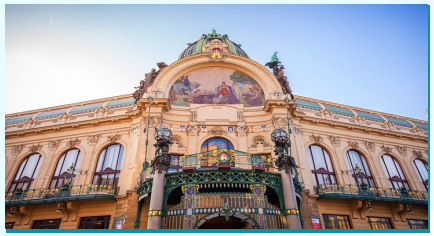

Prague has been declared as a "Beta+" global city according to GaWC studies. The city is connected by an extensive modern public transportation system. Its rich history makes it a well-known tourist destination with more than 6.4 million international visitors annually turning Prague into the fifth most visited European city. Prague has been a political, social and financial focal point of focal Europe inserted with a rich history that can be followed back to Renaissance and Baroque periods.
