Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Miami

Miami is a noteworthy port city on the Atlantic shoreline of south Florida in the southeastern United States. As the seat of Miami-Dade County, the region is the foremost, focal, and the most crowded city of the Miami metropolitan region and part of the second-most crowded city in the southeastern United States. As indicated by the U.S. Evaluation Bureau, Miami's metro region is the eighth-most crowded and fourth-biggest urban range in the U.S., with a population of around 5.5 million.

Miami is a major center, and a pioneer in finance, business, culture, media, showbiz, arts and Global trade. In 2012, Miami was delegated an Alpha–World City in the World Cities Study Group's stock. In 2010, Miami positioned seventh in the United States and 33rd among worldwide urban communities regarding business movement, human capital, data trade, social experience, and political engagement. In 2014, Forbes magazine positioned Miami "America's Cleanest City", for its year-round great air quality, huge green spaces, clean drinking water, clean roads, and citywide reusing programs. As per a 2009 UBS investigation of 73 world urban areas, Miami was positioned as the richest city in the United States, and the world's seventh-wealthiest city as far as obtaining influence. It is tagged as the "Capital of Latin America "and is the largest city with a Cuban-American people as the majority.

Miami has the third tallest skyline in the U.S. with more than 300 tall structures. Downtown Miami is home to the biggest grouping of universal banks in the United States, and numerous expansive national and global organizations. The Civic Center is a noteworthy place for hospitals, research institutes, medical centers and biotechnology Industries. For over two decades, the Port of Miami, known as the "Journey Capital of the World", has been the main voyage traveler port on the planet. It suits a portion of the world's biggest voyage boats and operations, and is the busiest port in both traveler activity and cruise lines. Metropolitan Miami is a major tourism place in the American South for global visitors, positioning number two in the U.S. after New York City.
