Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Vancouver

Vancouver is a coastal seaport city in Canada, located in the Lower Mainland region of British Columbia. As the most populous city in the province had a population of 2,562,631 in 2017, making it the third-largest metropolitan area in Canada. Vancouver has the highest population density in Canada with over 5,400 people per square kilometer, which makes it the fourth-most densely populated city with over 250,000 residents in North America behind New York City, San Francisco, and Mexico City. Vancouver is one of the most ethnically and linguistically diverse cities in Canada classed as a Beta global city.

Vancouver is consistently named as one of the top five worldwide cities for livability and quality of life and the Economist Intelligence Unit acknowledged it as the first city ranked among the top-ten of the world's most well-living citieshttps://en.wikipedia.org/wiki/Vancouver#cite_note-11 for five consecutive years. Vancouver has hosted many international conferences and events, including the 1954 British Empire and Commonwealth Games, UN Habitat I, Expo 86, the World Police and Fire Games in 1989 and 2009; and the 2010 Winter Olympics and Paralympics which were held in Vancouver and Whistler, the TED conference made Vancouver its indefinite home. Several matches of the 2015 FIFA Women's World Cup were played in Vancouver, including the final at BC Place.https://en.wikipedia.org/wiki/Vancouver#cite_note-FIFA-14

As of 2014, Port Metro Vancouver is the third-largest port by tonnage in the Americas (recently displacing New York City), 27th in the world, the busiest and largest in Canada, and the most diversified port in North America. While forestry remains its largest industry, Vancouver is well known as an urban center surrounded by nature, making tourism its second-largest industry. Major film production studios in Vancouver and nearby Burnaby have turned Greater Vancouver and nearby areas into one of the largest film production centers in North America, earning it the nickname, Hollywood North.
