Host City

Prague is the most popular tourist and meeting destination in the Czech Republic. The City of a Hundred Spires on the Vltava River is known to people from all over the world and ranks among the most beautiful cities in Europe. Let yourself be tempted by historical, leisure and meeting offer of Prague. Prague also became an important university centre which gave the world a number of personalities without whose discoveries and inventions we could hardly imagine our lives today - contact lenses, silon, screw-propeller or nanofibers. It is inherently linked with excellent operas, concerts, theatre and ballet performances. Every year Prague hosts the Prague Spring festival - a renowned gathering of the world's best classical musicians or a number of International film festivals, and many others. Moreover, Prague is a green and very walkable city, offering a wide range of attractions within a small area. Museums, restaurants, historical monuments, relaxation and entertainment - all are virtually within arm's reach. You can have a pint in a traditional Czech brewery or enjoy fine dining in a Michelin-starred restaurant. You can take a historical tram ride or use the efficient public transportation system. All this together makes Prague an extraordinary, attractive place ideal for all types of meetings and incentive programs.
