About Conference

Conferenceseries LLC ltd is delighted to ask you to participate in the " 27th Annual Summit on Pediatrics, Neonatology & Primary Care" to be held March 27-28, 2023 in Dubai, UAE. Pediatrics Meet 2023 is going to be an innovative and life-changing international conference reflecting the direction of pediatrics and perinatology within the 21st century during a secure yet exciting environment that gives a good range of diversions to participants from all backgrounds. This conference may be a great opportunity to debate the newest developments within the field.

Pediatrics Meet 2023 highlighting the theme "Strategies to Strengthen Maternal - Neonatal Health and Reduce Neonatal Mortality" provides an excellent opportunity to share views, exchange knowledge and establish research collaborations & networking

We also welcome the participation of Presidents, CEOs, Delegates, and industrial executives from Pharma and Health care sectors making the congress a perfect platform to network, and share views and knowledge through interactive keynotes, plenary, posters, and B2B discussions.
