ABOUT VENUE

CITY ATTRACTIONS

Tokyo, Japan, the vibrant and culturally rich capital of the nation, is a city where timeless tradition harmoniously coexists with cutting-edge innovation. Renowned for its iconic attractions such as the Tokyo Skytree, Shibuya Crossing, Senso-ji Temple, and the Imperial Palace, Tokyo offers visitors an extraordinary blend of ancient heritage, futuristic architecture, and diverse cultural experiences. Equally celebrated for its world-class cuisine, thriving arts and technology sectors, and leadership in urban development, Tokyo stands as a global powerhouse of creativity and advancement.

Tokyo's reputation in the medical and scientific communities is outstanding. It is home to some of the world's most prestigious institutions, including the University of Tokyo, Tokyo Medical and Dental University, and the RIKEN research institutes—each recognized for pioneering contributions to medical research, pediatric health, and technological innovation in healthcare. This makes Tokyo an ideal host for the **10th International Conference on Pediatric Nutrition**, offering attendees an inspiring environment within a city known for leading scientific progress and fostering global collaboration in the fields of health, nutrition, and medical research.
