Invitation...

Dear Colleagues,

Conference Series extends its welcome to **International Conference on Pharmaceutical and Biomedical Engineering** during **October 16-17, 2017** at **Hyatt Regency Osaka, Osaka, Japan** with a theme "**Recent Innovations in Pharmaceutical and Biomedical Engineering**". Conference Series through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community.

Conference Series Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members.

Pharma Engineering 2017 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Pharmaceutical and Biomedical Engineering. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in Pharmaceutical and Biomedical sciences.

Conference will focus on the following topics during presentations of the two day event, which reflect current education research, industry developments and innovations internationally in the fields of pharmaceutical and biomedical sciences.

- Pharmaceutical Engineering
- Drug discovery and Development
- Bio Pharmaceutics and Pharmaceutical Technology
- Pharmaceutical Analysis and Bio analytics
- Pharmaceutical Formulations and Process Engineering
- Medical Devices and Medical Imaging
- Molecular Pharmacology and Experimental Therapeutics
- Clinical and Biomedical Engineering
- Biomaterials and Biomechanics
- Medical and Nano biotechnology
- Cell and Tissue Engineering
- Bioinstrumentation
- Bio Imaging and Signal Processing
- Bioinformatics and computational biology
- Bio Robotics and Biosensors
- Genetic Engineering and Genomics
- Regulatory Compliance
- Neural and Rehabilitation Engineering
- Pharmaceutical and Biomedical Industry

Organizing Committee Members

Naveed Ahmed Khan
Sunway University
Malaysia

Raid Ghassan Alany
Kingston University London, UK
The University of Auckland
New Zealand

Yogesh Chandra Sharma
Indian Institute of Technology
(BHU)
India

Tentative Agenda

October 16, 2017 Monday

Time	Session
08:30-09:30	Registrations
	Group Photo
09:30-11:00	Keynote Forum
11:00-11:15	Network & Refreshments Break*
11:15-13:00	Track 1: Pharmaceutical Engineering
	Track 2: Drug discovery and Development
	Track 3: Bio Pharmaceutics and Pharmaceutical Technology
13:00-13:45	Lunch Break**
13:45-16:00	Track 4: Pharmaceutical Analysis and Bio analytics
	Track 5: Pharmaceutical Formulations and Process Engineering
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Track 6: Medical Devices and Medical Imaging
	Track 9: Biomaterials and Biomechanics
17:00-18:00	Track 7: Molecular Pharmacology and Experimental Therapeutics
	Track 8: Clinical and Biomedical Engineering
	Track 10: Medical and Nano biotechnology
	Day Concludes

October 17, 2017 Tuesday

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
10:30-11:30	Track 11: Cell and Tissue Engineering
	Track 12: Bioinstrumentation
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Track 13: Bio Imaging and Signal Processing
	Track 14: Bioinformatics and computational biology
13:00-13:45	Lunch Break**
13:45-15:00	Track 15: Bio Robotics and Biosensors
	Track 16: Genetic Engineering and Genomics
15:00-15:15	Network & Refreshments Break*
15:15-16:30	Track 17: Regulatory Compliance
	Track 18: Neural and Rehabilitation Engineering
	Track 19: Pharmaceutical and Biomedical Industry
16:30-18:00	Poster Presentations
	Award Ceremony
	Conference Concludes

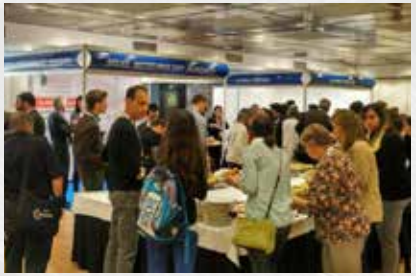

* Exclusive Exhibitor Event | ** Networking Event

Note: Conference schedule is subject to change.

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.

Glimpses of past conference

Tourist Attractions

Venue

Osaka is the second largest metropolitan area in Japan and serves a major economic hub.Historically a merchant city, Osaka has also been known as the "Nation's Kitchen". With a population of 2.5 million, Osaka is Japan's third largest and second most important city. It has been the economic powerhouse of the Kansai region for many centuries. Thecity's west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the TempozanHarbour Village. Osaka is known for its food, both in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have both suggested that Osaka is the food capital of the world. Osaka's culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants, and close proximity to the ocean and waterway trade. In recent years, Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture. The National Museum of Art (NMAO) is a subterranean Japanese and international art museum, housing mainly collections from the post-war era and regularly welcoming temporary exhibitions. Osaka Science Museum is in a five storied building next to the National Museum of Art, with a planetarium and an OMNIMAX theatre.

You'll fall in love with Japan
