Dubai is a city in the United Arab Emirates, located within the emirate. The emirate of Dubai is located on the southeast coast of the Persian Gulf and is one of the seven emirates that make up the country.

Glitzy Dubai is the United Arab Emirates holiday hot spot. This city of high-rises and shopping malls has transformed itself from a desert outpost to a destination du-jour, where tourists flock for sales bargains, sunshine and family fun. Dubai is famous for sightseeing attractions such as the Burj Khalifa (the world's tallest building) and shopping malls that come complete with mammoth aquariums and indoor ski slopes. But this city has many cultural highlights and things to do as well as all the glamorous modern add-ons. Take a wander around the Bastakia district, and you'll discover the Dubai of old, then cruise along Dubai Creek in a traditional dhow and you'll soon realize there's more to this city than its flashy veneer.

Various tourist attractions include Palm Jumeirah, SEGA Republic, Ski Dubai, Ferrari World, Dubai Ice Rink, Ras Al Khor Wildlife Sanctuary, Dubai Creek Golf & Yacht Club, SMCCU-Sheikh Mohammed Centre, Palm Islands, Dubai Creek, Jumeirah Beach, Aquaventure Waterpark, Dolphin Bay, Dubai Marina Walk, Dubai Fountains, Burj Al Arab Beach, Sheikh Saeed Al-Maktoum House, Dubai Opera, and Kite Beach.
