Speaker Testimonials

The conference was well organised"

Rohini Padma,
Government Degree College, India

It was a good meeting in general"

Uma Sankar,
Indiana University School of Medicine, USA

I thoroughly enjoyed the meeting and want to thank you for giving me an opportunity to present my research"

Amanpreet Singh,
Wright State University Boonshoft School of Medicine, USA

It is my pleasure to announce that the conference was very nice opportunity to be part of this valuable meeting and I meet many researchers from different countries which learned me many aspects about different branches of my specialization. Everything was highly organized and hopes to be part in next meeting with my best regards."

Mufeed J Ewadh
Babylon University, Iraq

Genuinely one of the best conference I've attended. The Conference was inspiring and informative with relevant speakers I found it really insightful and interesting Conference really was very well organized. I wouldn't hesitate to recommend to anyone wanting to get a real understanding of how to approach of our 10th Global Summit on Toxicology and Applied Pharmacology. Thanks for the program. The Chicago City, people and the weather was very fabulous and food was delicious too. I really appreciated the insight that was provided, and the time you took following the session to provide additional feedback. Looking forward for many more opportunities in future and please kindly update me about the upcoming conference. Overall it was a great trip in my life."

K Prasuna
Kakatiya University, India

The conference was very useful. I have found two potential collaborators and had a chance to present my research to the audience that understands and is interested in the area of my expertize. Thanks to the organizers"

Alexei G. Basnakian,
University of Arkansas, USA

I really enjoined the conference"

Gunnar Boysen,
University of Arkansas for Medical Science, USA

It was really a great conference scientifically and also socially with relevant speakers and very well organized.

Alenka Franko
University Medical Centre, Slovenia

I have learned a lot of things from the conference and it contained interesting research works related to toxicology. We have got certificates for presenting the research work. Toxicology 2015 was a very good experience for everyone, especially for the young researchers. Good luck for the upcoming conference!

Baragamaarachchi R Y
University of Colombo, Sri Lanka

I should comment that the Summit was excellent. Hope to help for the organization of next summit as well.!

Marcelo L Larramendy
National University of La Plata, Argentina

Although I couldn't present my study, I could learn a lot from many talks. I hope that the conference has a certain topic and discuss about it together. And I hope to participate in the conference next time.

NeoEnBiz Co., South Korea

About City

Philadelphia is home to a modest bunch of biotechnology, pharmaceutical and medicinal gadget organizations. ALS Biopharma, Areon Biosciences, Atrin Pharmaceuticals, Digna Biotech, Enantigen Therapeutics, MB Research Laboratories, One World Biotech, Impact Biologicals are simply to give some examples of the organizations which are situated in the province of Philadelphia.

Philadelphia is the center of economic activity in Pennsylvania and is home to five Fortune 1000 companies. The Philadelphia skyline is growing, with a market of almost 81,900 commercial properties in 2016 including several nationally prominent skyscrapers. The city is known for its arts, culture, and rich history, attracting over 41 million domestic tourists alone in 2015. Philadelphia has more outdoor sculptures and murals than any other American city. Fairmount Park, when combined with the adjacent Wissahickon Valley Park in the same watershed, is one of the largest contiguous urban park areas in the United States. The 67 National Historic Landmarks in the city helped account for the $10 billion generated by tourism. Philadelphia is the birthplace of the United States Marine Corps, and is also the home of many U.S. firsts, including the first library (1731), first hospital (1751) and medical school (1765), first Capital (1777), first stock exchange (1790), first zoo (1874), and first business school (1881). Philadelphia is the only World Heritage City in the United States.
