International Conference on

Pharmaceutical Chemistry

August 17-18, 2020 | London, UK

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the International Conference on Pharmaceutical Chemistry during August 17-18, 2020 at London, UK. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Pharmaceutical Sciences

Pharmaceutical Chemistry 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals.

This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can condrm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Illuminate the Trends in Pharmaceutical Sciences"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Pharmaceutical Chemistry 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to London, UK this August..

Sincerely,

Pharmaceutical Chemistry 2020

Organizing Committee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Pharmaceutical Chemistry 2020 is a global overview the Theme "Illuminate the Trends in Pharmaceutical Sciences". It is a pavement for Pharmaceutical Chemistry experts and scientific professionals to explore the research challenges & current trends and unleash advanced strategies in the arena of Pharma and Chemistry research areas. Pharmaceutical Chemistry 2020 is a specially designed cluster conference and would lay a platform for the interaction among specialists, directors, professors, faculties, experts and research fellows around the world reputed research institutes, universities and companies, agencies, association & societies. It aims in accelerating the scientific discoveries in the field of Pharma and Chemistry to exchange information on their latest research progress. We are glad to have your presence at 'International Conference on Pharmaceutical Chemistry' scheduled to be held during 17-18 August, 2020 at London, UK. The organizing committee is gearing up for an exciting and informative event procuring plenary lectures, symposium, workshops on a variety of topics, poster presentations and various sessions for participants from all over the world. All the members of Pharmaceutical Chemistry -2020 organizing committee look forward to meet you at London, UK.

Pharmaceutical Chemistry 2020 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about food safety and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Pharmaceutical Chemistry.
- Discuss and apply recent research findings related to Pharmaceutical Sciences.
- Reflect on the place of critical distance in **Trends in Pharmaceutical Sciences.**

Who should attend

International Conference on Pharmaceutical Chemistry is exclusively designed for Scientists, Pharmacologists, Chemists, Clinical Researchers, Experts, Research scholars, Students, Academicians, Business professionals and others engaged in endeavours related to Pharmaceutical Chemistry and Clinical Researchresearch and business.

About hosting organization

Conerence Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive o 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conerence proceedings are published in the special issues o our 700+ Open Access International Journals with the DOI provided by Crossref

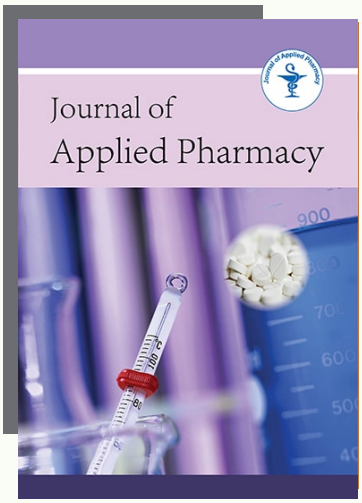

Major Sessions

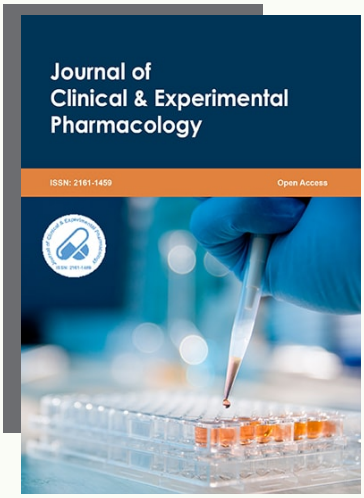

- Pharmaceutical Formulations: Academic and Industry Perspective
- Pharmaceutical Research and Development
- Chemogenomics
- Solid-state pharmaceutical chemistry
- Pharmaceutical Organic Chemistry
- Pharmacovigilance
- Drug Discovery Chemistry
- Medicinal Chemistry Strategies
- Pharma Medicinal Chemistry
- Integrating Medicinal Chemistry into the Drug Discovery Process
- Pharmacokinetics and Pharmacodynamics in Drugs
- Drug Design and Synthesis
- Organic Chemistry
- Nanomedicine and Biomedical Applications
- Chemical Synthesis and Catalysis
- Pharmacovigilance and Cosmetovigilance
- Bioorganic Chemistry
- Pharmacognosy and Phytochemistry
- Medico Marketing
- Medicinal Chemistry: Physical Properties and Drug Design

Supporting Journals

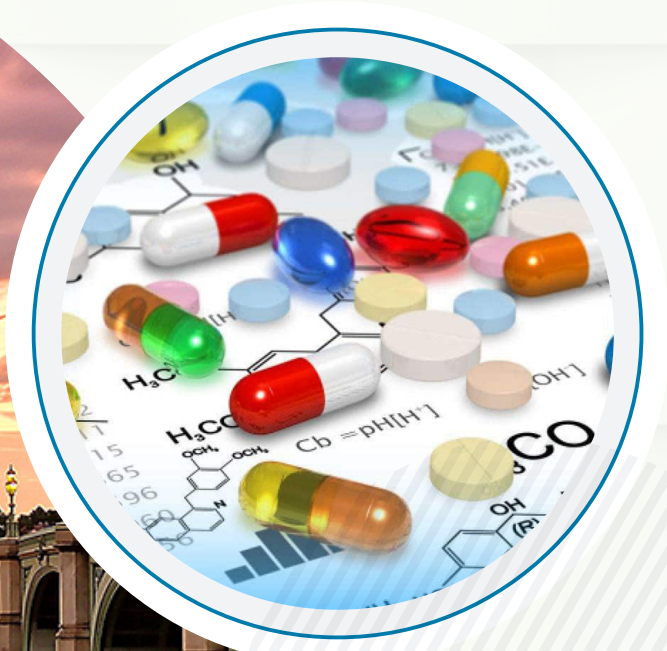

- Journal of Clinical & Experimental Pharmacology
- Medicinal Chemistry
- Clinical Pharmacology & Biopharmaceutics

About London, UK

London is the capital city of England and the United Kingdom. It is the most populous city in the United Kingdom with a metropolitan area of over 13 million inhabitants. Standing on the River Thames, London has been a major settlement for two millennia. London has a diverse range of peoples and cultures, and more than 300 languages are spoken within Greater London. London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transport all contributing to its prominence., London became a Centre for the worldwide youth culture, exemplified by the Swinging London subculture associated with the King's Road, Chelsea and Carnaby Street. London is the seat of the Government of the United Kingdom.
