International Conference on

Pharmaceutical Chemistry

August 17-18, 2020 | London, UK

+44 7460854031

SCIENTIFIC PROGRAM

SCIENTIFIC PROGRAM

Monday, 17th August

DAY 1

08:30-09:00	Registrations
09:00-09:30	Introduction
09:30-09:50	COFFEE BREAK
09:50-11:50 Meeting Hall 01	KEYNOTE LECTURES

MEETING Hall 01	MEETING Hall 02
Pharmaceutical Formulations: Academic and Industry Perspective	Solid-state pharmaceutical chemistry
Pharmaceutical Research and Development	Pharmaceutical Organic Chemistry
Chemogenomics	Pharmacovigilance

13:10-13:15	GROUP PHOTO
13:15-14:00	LUNCH BREAK

14:00-16:00	MEETING Hall 01	MEETING Hall 02
	Drug Discovery Chemistry	Pharmacokinetics and Pharmacodynamics in Drugs
	Medicinal Chemistry Strategies	Drug Design and Synthesis
	Pharma Medicinal Chemistry	Organic Chemistry
	Integrating Medicinal Chemistry into the Drug Discovery Process	Nanomedicine and Biomedical Applications

16:00-16:20	COFFEE BREAK
16:20-18:00	Pannel Discussion

SCIENTIFIC PROGRAM

Tuesday, /6rf ?sesqr

DAY 2

08:30-09:00	Registrations
09:00-09:30	Introduction
09:30-09:50	COFFEE BREAK
09:50-11:50 Meeting Hall 01	KEYNOTE LECTURES
11:50-13:10	MEETING Hall 01

Chemical Synthesis and Catalysis

Pharmacovigilance and Cosmetovigilance

Bioorganic Chemistry

Pharmacognosy and Phytochemistry

13:10-13:15	GROUP PHOTO
13:15-14:00	LUNCH BREAK
14:00-16:00	MEETING Hall 01

Medico Marketing

Medicinal Chemistry: Physical Properties and Drug Design

Recent Advances in Pharmaceutical Technology

16:00-16:20	COFFEE BREAK

16:20-18:00 Poster Presentations

Awards Ceremony

Organizing Committee Members

Marc D Donohue | Johns Hopkins University, USA

Toshio Narahashi | Northwestern University, USA University, USA

Khue Vu Nguyen | University of California, USA

Alfonso Eirin | Mayo Clinic in Rochester, USA

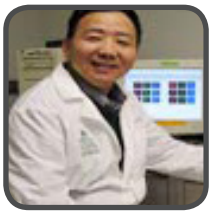

Shufeng Zhou | University of South Florida, USAUK

Despina Sanoudou | University of Athens Medical School, Greece

Esra Kupeli Akkol | Gazi University, Turkey

Guan Chen | Medical College of Wisconsin, USA

Aron D Mosnaim | Rosalind Franklin University, USA

Kim Lawson | Sheffield Hallam University, UK

PAST AFFILIATES

Achim Aigner
Leipzig University, Germany

Adella Aparna
Vaagdevi College of Pharmacy, India

Adriano Mollica
University G. D' annunzio of Chieti-Pescara, Italy

Ahmed Majeed
Sheffield University, UK

Alexander Terentev
D. Mendeleev University of Chemical Technology of Russia, Russia

Alexander V. Sirotkin
Constantine the Philosopher University and Research Institute of Animal Production, Slovakia

Alexei Basnakian
Director of the DNA Damage and Toxicology Core Center University of Arkansas USA, USA

Amiram Goldblum
The Hebrew University of Jerusalem, Israel

Andreas Bernkop-Schnürch
University of Innsbruck, Austria

Apurba K. Bhattacharjee
Georgetown University, USA

Arwyn T Jones
Cardiff University, UK

Aysu Yurdasiper Erdem
Ege University, Turkey

Balint Sinko
Pion Inc, USA

Bin-Xu
Virginia Tech, USA, USA

Carmen Tamayo
Heterogeneity LLC, USA

Carsten Detering
BioSolveIT Inc., USA, USA

Catherine Guillou
Unversité de Paris-Saclay, France

Charanjeet Kaur Mangat
RIMT University, India

Chi Hin Cho
Chinese University of Hong Kong, Hong Kong

Concepción González-Bello
University of Santiago de Compostela, Spain, Spain

Costas Kiparissides
Aristotle University of Thessaloniki, Greece

David E Bergbreiter
Texas A&M University, USA

David Wenger
Attorney / US Cannabis Industry Specialist, USA USA

Deepinder Singh Malik
Punjabi University, India

Dharmendra K. Yadav
College of Pharmacy, Gachon University,Incheon,South Korea South Korea

Dr. J.J. Hilak
University of the Hague, the Netherlands Netherlands

Fabio Marinelli
University of L'Aquila, Italy

Farzad Gandomi
Ferdowsi University School of Science, Mashhad, Iran Iran

Francisco Alonso
Universidad de Alicante, Spain

Gervais Bérubé
Université du Québec à Trois-Rivières, Canada

Gevorg G. Danagulyan
Russian-Armenian University, Armenia

PAST AFFILIATES

Gozde Unsoy
Middle East Technical University, Turkey

Gus R Rosania
University of Michigan, USA

Hai-Feng Ji
Drexel University, USA

Hiroshi Maeda
Sojo University, Japan

Hongbin Wang
California Northstate University, USA

Imeda Rubashvili
Tbilisi State University, Georgia

Jaein Ha
Korea University College of Medicine, Korea, South Korea

Jane Otado
Howard University, USA

Jetze Tepe
Michigan State University, USA, USA

Joel Richard
IPSEN, France

Johann F. Osma
Universidad de los Andes, Colombia

Jovana V. Bogojeski
University of Kragujevac, Serbia

Juan Manuel Navarrete
National University of Mexico, Mexico

Jung-Mo Ahn
University of Texas,USA , USA

Kal-Ramnarayan
Sapient Discovery, LLC, US, USA

Khuloud Al Jamal
King's College London, UK

Kissi Mudie Yesu
Ethiopian Public Health Institute, Ethiopia

Lakshmi Prasanna Kolluruv
Medefil Inc, USA

Larisa Klapshina
Nizhny Novgorod State University/IOMC RAS, Russia

Leila Motiei
Weizmann Institute of Science, Israel

Maolin Guo
University of Massachusetts,USA

Marc Le Borgne
University Lyon 1, France, France

Margitta Dathe
Leibniz Forschungsinstitute of Molecular Pharmacology, Germany

Mark McLaughlin
Merck Sharp & Dohme (MSD) Dept. of Process Research and Development, USA

Matthew D. Lloyd
University of Bath, UK

Maysoon A Abujarad Alhuwitat
Amman Arab University, Jordan

Meot Francois
Brookhaven National Laboratory, USA

Michael Chorny
University of Pennsylvania, USA

Mitsuji Yamashita
Shizuoka University, Japan, Japan

Mpelegeng V. Bvumbia
University of Venda, Thohoyandou, South Africa South Africa

Nadezhda Shchepina
Institute of Perm State University, Russia

PAST AFFILIATES

Norohito Kawashita
Osaka University, Japan Japan, Japan

olkmar Weissig
Midwestern University College of Pharmacy Glendale, USA

Omer Abdalla Ahmed Hamdi
Alneelain University, Sudan

Partha Roy
Indian Institute of Technology Roorkee, India

Pierre Falson
University of Minnesota, France, France

Prabagaran-Narayanasamy
University of Nebraska Medical Center, USA, USA

Priyankar Sen
VIT University, India

Rayhana Begum
Primeasia University, Bangladesh

Reveng Abdulkareem
University of Duhok, Iraq

Roman Pliss
P.G. Demidov Yaroslavl State University, Russia

Rongshi Li
University of Nebraska Medical Center, USA

Ryo Nakajima
Graduate School of Biomedical & Health Sciences, Hiroshima University, Hiroshima, Japan Japan

Sartaj Tabassum
King Saud University, Saudi Arabia

Serena Mazzucchelli
University of Milan, Italy

Sergey Lednev
P.G. Demidov Yaroslavl State University, Russia

Shaaban K. Mohamed
Manchester Metropolitan University, UK

Shweta Bhagat
National Institute of Pharmaceutical Education and Research, India

Steve Hood
GSK, UK

Steve Rannard
University of Liverpool, UK

Tarek Aboul-Fadl
Assiut University, Egypt

Tatsuya Takagi
Osaka University, Japan Japan, Japan

Tayebeh Hosseinnejad
Alzahra University, Iran

Thomas Forrest
RMIT University & Chisholm Institute (National Precision Growing Centre), Australia Australia

Thorsten Nowak
C4X Discovery Holdings PLC., UK, UK

Tove Tuntland
Novartis Institute of Biomedical Research , USA

Ulrich Koert
Philipps University, Germany

Vasily Sen
P.G. Demidov Yaroslavl State University, Russia

Venkatesan Jayaprakash
Birla Institute of Technology, India

Victor Guallar
Barcelona Supercomputing Center, Spain

Victor-J-Hruby
University of Arizona, USA, USA

Wafa T. Al-Jamal
University of East Anglia, UK

William G Whitford
GE Health care, USA

London
