5th International Conference on Pharmacognosy, Phytochemistry & Natural Products

July 24-26, 2017 Melbourne, Australia

200+ Participation

15+ Interactive Sessions

10+ Keynote Lectures

50+ Plenary Lectures

3+ Workshops

10+ Exhibitors

B2B Meetings

Invitation...

Dear Colleagues,

Conference Series LLC is very delighted to invite you all to the **5th International Conference on Pharmacognosy, Phytochemistry & Natural Products** scheduled on July **July 24-26, 2017** at **Melbourne, Australia** We are progressively working for the initiation of new world, perspectives and views in the field of pharmaceutical Sciences. Conference Series LLC is providing a great platform for thousands of pharmacists meet, learn, share and exchange views. We are concentrating on a view that everyone should gain from the conference. So, we are organizing plenary sessions, poster exhibitions and section programs, workshops at the conference.

Conference Series LLC Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members.

Pharmacognosy 2017 Conference will focus on educational research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Pharmacognosy 2017 is a perfect platform to find out how Pharmaceutical innovations are inspiring new businesses and product lines.

Conference will focus on the following topics during presentations of the three day event, which reflect current education research, developments and innovations internationally in the field of pharmaceutical sciences

Pharmacognosy
Phytochemistry
Natural Products
Herbal Drugs and Formulations
Drugs from Natural Sources
Toxicology Studies of Plant Products
Industrial Pharmacognosy
Ethnopharmacology
Natural Products of Medicinal Interest
Aromatic Plants
Crude Drugs and Plant Products
Herbal System of Medicine
Plant Biotechnology and Tissue Culture
Phytoconstituents
Plant Physiology
Plant Biochemistry
Analytical Techniques in Phytochemistry
Plant Extraction Methods
Applied Plant Sciences

Organizing Committee Members

Azza EL-Medany
Alexandria University
Egypt

Ciddi Veeresham
Kakatiya University
India

Dilip Ghosh
Soho Flordis International &
NutriConnect, Australia

Jamal Ouazzani
Chemistry Institute of Natural
Substances, France

Saikat Sen
Assam down town University
India

Sasidharan Sreenivasan
University of Science
Malaysia

Oral Presentations

Title: Study mechanism antidiabetic extract methanol cemba leaf (acacia rugata (lam.) Fawc. Rendle) through □-glucosidase enzyme inhibition
Ishmih Usman, University Moeslim Indonesia, Indonesia

Title: Chemotherapeutic Antitumor Activities of Curcumin on N-methyl-N- Nitrosourea Induced Mammary tumors in Female Rats
Azza ELMedany, Alexandria University, Egypt

Title: Green Tea Extract: Its Potential Protective Effect on Bleomycin Induced lung Injuries in Rats
Azza ELMedany, Alexandria University, Egypt

Title: The discovery of anti-parasitic benefits of olive leaf for goats infected with intestinal parasites: seeking novel strategies to manage intestinal worms from the plant pharmacy
Prue Kearney, University of Queensland, Australia

Title: Occurrence of antioxidant polyphenols in India's coastal plants
Govindasamy Agoramoorthy, Tajen University, Taiwan

Title: A Sino-African Pharmacokinetic comparison of berberine: the contribution of the intestinal microbiota
Raphael N. Alolga, China Pharmaceutical University, China

Title: Nutraceutical based treatment of Vibrio anguillarium infection in Macrobrachium rosenbergii
John Thomas, VIT University, India

Title: Role of Natural Antioxidants in the Oxidative Stress induced Skin Photoaging
Chanchal Garg, Maharshi Dayanand University, India

Title: Design, Development And Characterization Of Herbal Lipstick Containing Natural Ingredients
Shweta Shriwas, Dr. APJ Abdul Kalam University, India

Title: Formulation and Evaluation of Glycyrrhizin Alginate Beads for Stomach-Specific Delivery
Sumeet Dwivedi, Dr. APJ Abdul Kalam University, India

Title: Effectiveness of Moringa oleifera, Aloe debrana, and Carica papaya seed powder extracts for drinking water purification.
Adane Gebeyehu Demissie, National Agricultural Biotechnology Research Center, Ethiopia

Title: Endemic Plants from Mauritius Islands as Potential Phytomedicines
Joyce Govinden Soulange, University of Mauritius, Mauritius

Title: Metals based nanoscale drug delivery system in the pathogenesis of diabetes
Saba Maanvizhi, Sri Ramachandra University, India

Title: Evaluation of the anti-diarrheal activity of the leaf extract of Croton macrostachyus Hocsht. ex Del. (Euphorbiaceae) in mice model
Amsalu Degu Defersha, University of Nairobi, Ethiopia

Title: Analysis Of Redox Protective Activities Of Gymnosporia royleana
Saboon, PMAS Arid Agriculture University, Pakistan

Title: Phytochemical screening, isolation and structure determination of anti-oxidant and antibacterial compounds from Thymus serpyllum
Ashfaq Ahmad, Women University of Azad Jammu & Kashmir, Pakistan

Title: Anticancer activity of Ruellia squarrosa against human prostate cancer cell line
Muhammad Khurram Afzal, Bahauddin Zakariya University, Pakistan
Title: Evidence based validation of Dendrobium fimbriatum as a hepatoprotectant: an orchid from North-east India
Sunita Shailajan, Ramnarain Ruia College, India
Title: Hepatoprotective potential of a total parasite: Cuscuta campestris
Dipti Singh, Ramnarain Ruia College, India
Title: Hepatoprotective and Pharmacokinetic profile of a mangrove: Avicennia marina
Mayuresh Joshi , Ramnarain Ruia College, India
Title: Evaluation of wound healing activity of Chrysophyllum cainito L. leaves
Deepti Gurjar, Ramnarain Ruia College, India
Title: Experimental Evaluation of Polyherbal Combination of Butea monosperma, Foeniculum vulgare and Ficus glomerata in the Treatment of Peptic Ulcer
Mandar Mhatre, Ramnarain Ruia College, India
Title: In-Vivo Analgesic and Anti-Inflammatory activities of Agaricus campestris and Ballota limbata on Mice
Imran Waheed, Univeristy of Karachi, Pakistan
Title: Safety and Toxicity Evaluations of Xanthium strumarium Linn.
Bhanu P. S. Sagar, IEC Group of Institutions, India
Title: Safety and efficacy of liposomal Amphotericin B for treatment of complicated Visceral Leishmaniasis in patients without HIV, North-West Ethiopia.
Aschalew Tamiru Hailemariam, University of Gondar, Ethiopia
Title: C-AEDE- Cytotoxic and Antiproliferative Evaluations of a novel diterpenoid from Euphorbia graminea
Ikpefan Emmanuel Oise, Delta State University,Nigeria
Title: Phytochemical screening on Methanolic extract of the exudate of Aloe otallensis and its effect on Leishmania Eathiopica Parasite
Zerihun Tesfaye, Addis Ababa University, Ethiopia
Title: ntioxidant Potential of Sapium ellipticum (Hochst) Pax Leaf Extract against CCl4-Induced Reactive Species In vivo
Osasenaga Ighodaro, Lead City University, Nigeria
Title: Musali an aphrodisiac herb: a potential drug for nutraceutical
Kopila Adhikari, SDM College of Ayurveda and Hospital, India
Title: Bitter Apple Fruit [Citrullus Colocynthis]: Phytochemistry, Pharmacology, Traditional Uses And Nutritional Potential
Abdullah Hussain, Government College University, Pakistan

Poster Presentations

Title: Evaluation of the Fatty Acid Composition of Eriobotrya japonica (Thunb.) Lindl. seed and Their Application
Minori Shoji, Kindai University, Japan
Title: Effects of active compounds from Turpinia formosan on osteoblast cells
Mei-Hsien Lee, Taipei Medical University, Taiwan
Title: Osteogenic activity of constituents from Taiwan native plant
Yi-Tzu Lin, Taipei Medical University, Taiwan
Title: Dehydroandrographolide inhibits human oral cancer metastasis by transcriptionally repressing MMP-2

Shun-Fa Yang, Chung Shan Medical University, Taiwan

Title: Upregulation of miRNA-29a is critical for dihydromyricetin-mediated suppression of matrix metalloproteinase-2 and metastatic ability in human oral cancer

Chiao-Wen Lin, Chung Shan Medical University, Taiwan

Title: LC-MS-based metabolomics study on the different growth stages of Hermetia illucens L.

Chen-Wei Su, Taipei Medical University, Taiwan

Title: An Efficient Synthesis of a Bioactive Benzenoid Derivative from the Mycelium of Antrodia camphorate and its Anti-Virus activity

Shu-Han Yang, Taipei Medical University, Taiwan

Title: Evaluation of Ginseng on improving sperm quality

Hui-Ching Mei, National Taipei University of Education, Taiwan

Title: Rapid identification of natural hypouricemic compounds from alfalfa extract using UPLC-MS/MS coupled with Molecular Docking

Su-Jung Hsu, National Chiayi University, Taiwan

Title: Comparison between Antibacterial Effect of Teucrium Polium Plant and Common Antibiotics on the Bacteria Causing Urinary Tract Infections

Samira Shahba, Islamic Azad University, Iran

Title: Development and validation of a rapid LC-MS/MS method for simultaneous determination of kaempferol and quercetin in Thespesia populnea extract.

Ms Hiteksha Panchal, Anand Pharmacy College, India

Title: Detection of dietary elements content in Yemeni sesame oil by inductively coupled plasma-optical emission spectrometry (ICP-OES)

Faez Mohammed, Sanaa univesity, Yemen

Title: Ethnobotanical survey: A comprehensive review of medicinal plants used against gastrointestinal disorders in Niger, West Africa

Lawaly Maman Manzo, University Abdou Moumouni of Niamey, Niger

Closing Ceremony

Speaker and Poster Opportunities Available

Glimpses of past conference

Tourist Attractions

Venue

Melbourne is Victoria's capital city and the business, administrative, cultural and recreational hub of the state. Melbournians love the city's vibrant energy, restaurants, fashion boutiques, café-filled laneways, cool bars, unbeatable galleries, spacious parks and village-like inner suburbs, each with its own special character. Melbourne is a young city and as such it never sits still. Modern, cutting-edge designs add to the fascinating mix of heritage architecture and ensure the skyline is constantly changing.

Sometimes, the best part of visiting a new city is when you leave the tourist trail. While the big attractions can be great fun, often it's the more subtle "insider" experiences that leave you feeling really satisfied. The City of Melbourne presents events that activate our municipality, like Moomba, Melbourne Spring Fashion Week, Melbourne Music Week and more. The City of Melbourne is the home, workplace and leisure centre of one of the world's most harmonious and culturally diverse communities.

Melbourne's lifestyle, the climate and its future plans are all part of what inspires so much passion in those who live here. Over three decades ago, Melbourne joined hands with the Japanese city of Osaka, forging our first sister city partnership. This relationship has flourished into an international network spanning the globe

You'll fall in love with Melbourne, Australia

Venue:
Novotel Melbourne St Kilda
Address: 16 The Esplanade, St Kilda VIC 3182, Australia
