Invitation...

Dear Colleagues,

Conference Series LLC extends its welcome to **8th World Congress on Pharmacology and Toxicology** during **July 24-25, 2017** at **Melbourne, Australia** with a theme **"Sights and Insights into Pharmacology and Toxicology"**. Conference Series LLC through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community.

Conference Series LLC Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members.

Pharmacology Congress will focus on Pharmacology & Toxicology research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Attendees will be provided with the tools to enhance pharmacology research programs to make research more effective in Advancements in Pharmacology.

Conference will focus on the following topics during presentations of the three day event, which reflect current education research, developments and innovations internationally and as evidenced in both Pharmacological and Toxicological.

- Pharmacology
- Toxicology
- Clinical Pharmacology & Receptor Therapy
- Pharmacokinetics and Pharmacodynamics
- Cardiovascular and Ethno pharmacology
- Pharmacogenetics and Pharmacogenomics
- Drug Screening and Discovery
- Food and Chemical Toxicology
- Environmental Toxicology and Human Toxicology
- Genotoxicity
- Neuropharmacology & Psychopharmacology
- Nursing Pharmacology

Tentative Agenda

July 24, 2017 Monday	
Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
Group Photo	
10:30-10:45	Network & Refreshments Break*
10:45-12:00	Track 1: Pharmacology | Track 2: Toxicology
12:00-13:15	Track 3: Clinical Pharmacology & Receptor Therapy | Track 4: Pharmacokinetics and Pharmacodynamics
13:15-14:00	Lunch Break**
14:00-15:15	Track 5: Cardiovascular and Ethno pharmacology | Track 6: Pharmacogenetics and Pharmacogenomics
15:15-15:30	Network & Refreshments Break*
15:30-16:45	Track 7: Drug Screening and Discovery | Track 8: Food and Chemical Toxicology
16:45-18:00	Track 9: Environmental Toxicology and Human Toxicology
Day Concludes	

July 25, 2017 Tuesday	
Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-10:45	Network & Refreshments Break*
10:45-12:00	Track 10: Cardiac Pharmacology
12:00-13:15	Track 11: Neuropharmacology & Psychopharmacology
13:15-14:00	Lunch Break**
14:00-15:15	Track 12: Nursing Pharmacology
15:15-15:30	Network & Refreshments Break*
15:30-16:45	Track 13: Neuropharmacology & Psychopharmacology | Track 14: Environmental Toxicology and Human Toxicology
16:45-18:00	Poster Presentations
Day Concludes	

Confirmed Speakers

Oral

Pharmacology Congress

Title: Developing lead compounds that restore death sensitivity to trophic withdrawal in MYCN-initiated death resistant cells

Belamy B. Cheung, Lowy Cancer Research Centre, Australia

Title: The discovery of the "calcium paradox": from the past to the future

Leandro Bueno Bergantin, UNIFESP, Brazil

Title: Rare Earth Elements as Emergent Contaminants in Environmental and Human Health

Giovanni Pagano, Federico II Naples University, Italy

Title: Targeting the nuclear translocation of MAPKs as a novel anti-inflammatory and anti-cancer therapy

Dyah A. Perwitasari, University Yogyakarta, Indonesia

Title: Drug Delivery System Targeting Advanced Hepatocellular Carcinoma

Hong Qi Zhang, Hong Kong Baptist University, China

Title: Somatostatin receptor subtype 4 is a promising drug target on neurons for treatment of pain, anxiety, depression and cognitive disorders

Janos Szolcsanyi, University of Pecs, Hungary

Title: Complementary & Alternative Medicine-Use, Prevalence and Potential Interactions.

Bimal Roy Krishna, Touro University, USA

Title: The reproductive toxicity of ZishenYutai pill on rats and offspring in perinatal period

Li Zhou, Shanghai Institute of Planned Parenthood Research, China

Title: Surface electromyography analysis of blepharoptosis correction by transconjunctival incisions

Lung Chen, Taiwan

Title: Coenzyme Q10-evoked stimulation of nitric oxide - related dilation of the rat aorta

Oleg. Medvedev, Lomonosov Moscow State University, Russia

Title: Optimizing intravenous fosfomycin dosing in combination with carbapenems for treatment of Pseudomonas aeruginosa infections in critically ill patients based on pharmacokinetic/pharmacodynamic (PK/PD) simulation

O. Asuphon, Naresuan University, Thailand

Title: Propranolol in Angiosarcoma: First Major Advance in Decades

Shripad D. Banavali, Asian Cellular Therapy Organization, India

Title: A regulatory verification program with hygiene monitoring: from reformulation, preparation to administration of cytotoxic drugs in compounding pharmacies, human and animal health care centres

Vivian Fung, Safe Work NSW, Australia

Poster Presentations

Title: Effects of Selective PDE-2 Inhibitor BAY60-7550 and PDE-9 Inhibitor PF-04447943 on Olfactor Memory in Social Transmission of Food Preference
Furuzan Yildiz Akar, Kocaeli University School of Medicine, Turkey

Title: Effects of Selective PDE-2 Inhibitor BAY60-7550, PDE-5 Inhibitor Sildenafil and PDE-9 Inhibitor PF-04447943 on Learning and Memory in the Passive Avoidance Test in Naive Mice
Guner Ulak, Kocaeli University School of Medicine, Turkey

Title: Effects of anandamide and agmatine on cisplatin-induced neuropathy
Kevser Erol, Eskisehir Osmangazi University, Turkey

Title: The role of nicotinic receptors in the effects of galangin in the Morris water maze
Fatma Sultan Kilic, Eskisehir Osmangazi University, Turkey

Title: The reproductive toxicity of ZishenYutai pill on rats and offspring in perinatal period
Li Zhou, Shanghai Institute of Planned Parenthood Research, China

Title: Testicular Toxicity Characters and Mechanisms of Hydroxyurea on rats
Han Yan, Shanghai Institute of Planned Parenthood Research, China

Title: The Research Progress and Biomarker Research of Chronic Prostatitis
Zu-yue SUN, Shanghai Institute of Planned Parenthood Research, China

Title: Genistein inhibition of OGD-induced neuronal death in vitro experiment
Yan-qiang Liu, Nankai University, China

Title: An isoflavone compound daidzein elicits myoblast differentiation and myotube growth
Gyu-Un Bae, Sookmyung Women's University, South Korea

Young Reseachers Forum

Title: High Performance Liquid Chromatography Method for the Determination of Metformin in Blood Plasma After Ion-Pair Vortex Assisted Liquid-Liquid-Liquid Microextraction.
Anas Alshishani, University of Sains Malaysia, Malaysia

Title: Combined Effect of Baclofen and Acamprosate in Experimental Models of Peripheral Neuropathic Pain in Wistar rats
Varun Vikas Vij, Baba Farid University, India

Tourist Attractions

Venue

Melbourne City Centre referred to as "Central City", and colloquially known as simply "The City"is an area of Melbourne, Victoria, Australia.

It is the core central activities district (CAD) of Melbourne's inner suburbs and the major central business district (CBD) of Greater Melbourne's metropolitan area, and is a major financial centre in Australia and the Asia-Pacific region. The Hoddle Grid in the City Centre is home to Melbourne's famed alleyways and arcades and is renowned for its distinct blend of contemporary and Victorian architecture as well as expansive parks and gardens which surround its edges. The City Centre is home to five of the six tallest buildings in Australia. In recent times, it has been placed alongside New York City and Berlin as one of the world's great street art meccas, and designated a "City of Literature" by UNESCO in its Creative.

The City Centre is the major central business district (CBD) of Greater Melbourne's metropolitan area, and a major financial centre in Australia and the Asia-Pacific region. It is home to the corporate headquarters of the World's two largest mining companies: BHP Billiton and Rio Tinto Group; as well as two of Australia's "big four" banks: ANZ and NAB, its two largest gaming companies: Crown and Tabcorp, largest telecommunications company Telstra, two largest transport management companies: Toll and Transurban and the iconic brewing company Foster's Group. ..Cities Network.
