Invitation

Dear Attendees,

We are glad to announce the International Conference on Plant Genomics to be held in Madrid, Spain from July 27-28, 2020 organized by Conference Series llc LTD. in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Plant Genomics 2020 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Madrid this June.

Sincerely,
Plant Genomics 2020
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD. Journals
Each abstract will be provided with digital Object Identifier by Crossref

B2B Meetings

Plant Genomics 2020 Conference website is attracting 80000+ scientists and experts starting from Scientific Researchers, Academicians and Business in the field of Nursing and Healthcare. This distinctive chance that we tend to be our speakers and attendees is n't being offered by the other conference organizers. Through this the abstracts and analysis profiles of our speakers and organizing committee members obtaining world visibility that is a further feature that you simply would be receiving additionally to networking opportunities before, throughout and when the conference.

Fluid & Aerodynamics 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a trans formative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Exhibition on Fluid & Aerodynamics 2019 present the most recent research findings, and promote and enhance scientific collaborations around the world.

B2B Meetings

Plant Genomics 2020

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in **Plant Genomics**
- Discuss and apply recent research findings related to **Plant Genomics**
- Reflect on the place of critical distance in **Plant Genomics**

Who should attend

29th International Conference on Plant Genomics is exclusively designed for researchers, Scientists, Deans and Professors, Directors, CEOs, Presidents, Vice Presidents, Business Entrepreneurs and Industry Developers to make our events a great success.

About hosting organization

Conference Series llc LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000 + Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

Major Sessions

Plant Genomics
Specialization & Origin of Genomes
Plant Genetics and Epigenetics
Plant Nutritional Genomics and Horticulture
Plant Science and Agricultural Sciences
Management
Plant Anatomy, Metabolism, Regulation and Phytology
Transgenic Plants and Phytotoxins
Bioinformatics and Data Analysis of Plants
Comparative Genomics of extinct &extant groups
Plant Nanotechnology and Plant Pest
Genome Sequencing and Plant
Molecular Breeding
Plant Proteomics
Plant Signalling and Chemical Signalling
Genetically Modified Organisms and Tissue Culture
Plant Synthetic Biology and Plant Transcriptome

About Madrid

Madrid is the capital city of the Kingdom of Spain. It is considered as the biggest region in both the Community of Madrid and Spain all in all and has a populace of right around 3.2 million with a metropolitan zone populace of 6.5 million. After London and Berlin, Madrid is the third-biggest city in the European Union and its metropolitan zone is the third- biggest after London and Paris. It lies on the River Manzanares in the focal point of both the nation and the Community of Madrid. As per Monocle magazine, Madrid is the seventeenth most liveable city on the planet. Madrid has present day framework and jam the look and feel of a considerable lot of its notable neighborhoods and boulevards and the historic points incorporate the Royal Palace of Madrid, the Royal Theater, the Buen Retiro Park, and so forth. Madrid is the political, financial and social focal point of the nation. The Monument images of the city are Cibeles Palace and Fountain.

Explore Madrid this November with Fluid & Aerodynamics 2019 Meeting and opportunity for Football fan to visits, Madrid as its most successful football club - Real Madrid CF in the world, and Madrid is only the city that had derby match in UEFA Champions League Final (2014 UEFA Champions League Final, 2016 UEFA Champions League Final). Madrid is home to La Liga football club giant Real Madrid, who play their home games at the Santiago Bernabéu. Their supporters are referred to as Madridistas or Merengues (Meringues). Real Madrid was selected as the best club of the 20th century (FIFA Club of the Century), being the current leader of the European teams ranking and the most valuable sports team in the world. Football is the popular sport, both in terms of participants and spectators, in Madrid.

The Madrid populace has expanded since the city turned into the capital of Spain in the mid-sixteenth century. The populace dropped from 1970 until the mid-1990s which thusly influenced other European urban communities was caused by the development of satellite rural areas to the detriment of the downtown locale inside the city appropriate. The conventional religion in Madrid is Roman Catholic. As the capital city of Spain, the city has pulled in settlers from around the globe. While Madrid has current framework, it has protected the look and feel of a significant number of its notable neighborhoods and boulevards. Its milestones incorporate the Royal Palace of Madrid; the Royal Theater with its reestablished 1850 Opera House; the Buen Retiro Park, established in 1631; the nineteenth century National Library building (established in 1712) containing some of Spain's authentic documents; a substantial number of national historical centers and the Golden Triangle of Art, situated along the Paseo del Prado and including three craftsmanship exhibition halls: Prado Museum, the Reina Sofía Museum, a gallery of current workmanship, and the Thyssen-Bornemisza Museum, which finishes the inadequacies of the other two galleries. Cibeles Palace and Fountain have turned out to be one of the landmark images of the city. Madrid is the most gone by city of Spain
