TOURIST ATTRACTIONS

It is called City of neighbourhoods as it is among Canada's most ethnically and linguistically diverse cities. It is a coastal seaport city located in mainland of Canada. Vancouver offers travellers both outstanding opportunities for outdoor adventure and the sophisticated amenities of a world-class city. City's Oceanside location with plenty of green space and many recreation opportunities in the mountains .20 minutes north of downtown.

CANADA PLACE

Canada Place is a building situated on the Burrard Inlet waterfront of Vancouver, British Columbia. Canada Place can be reached via the Sky Train line at the nearby Waterfront Station terminus or via West Cordova Street in Vancouver. The white sails of the building have made it a prominent landmark for the city, as well as drawing comparisons to the Sydney Opera House in Sydney, Australia and the Denver International Airport in Denver, Colorado.

DR. SUN YAT-SEN CLASSICAL CHINESE GARDEN

The Dr. Sun Yat-Sen Classical Chinese Garden is the first Chinese garden built outside of China, and is located in Chinatown in Vancouver, British Columbia, Canada. The garden was built in 1985–1986

STANLEY PARK

Stanley Park is a 405-hectare public park that borders the downtown of Vancouver in British Columbia, Canada and is almost entirely surrounded by waters of Vancouver Harbour and English Bay.
