# WELCOME ADDRESS

Dear Attendees,

The Pollution Control 2024 Organizing Committee is absolutely delighted to welcome you to the **11th International Conference on Pollution Control & Sustainable Environment** which will be held in **Rome, Italy** on **February 15-16, 2024,** where we will be shining a spotlight on *"Scientific Challenges and Brilliance of new era in Pollution Control"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in Italy, which is called as Rome. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
**Pollution Control 2024**

# ABOUT US

## About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

## How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

## Pollution Control 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

# ABOUT US

### Goals & Objectives

- The Pollution Control 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pollution Control research,Biomass & Algal Biofuel Production.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pollution Control.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

### About Conference

Conference Series llc LTD takes immense pleasure to extend our warm welcome to invite all the participants from all over the world to attend 11th International Conference on Pollution Control & Sustainable Environment during February 15-16, 2024 Rome, Italy which will entail lively debates, prompt keynote presentations, Oral talks, Poster presentations, Workshops and Networking opportunities around a core of plenary and concurrent sessions based on essential topics in the Pollution Control sector.

Pollution Control 2024 conference is organizing with the theme of "Accelerating Innovations for Environmental Sustainability"

# ABOUT CONFERENCE

**Who Should Attend?**

experts, researchers, scholars and students from all areas of Basic science, Chemical engineering, Earth and planetary sciences, Ecology, Environmental science, Environmental toxicology, Bioremediation and Public health, Occupational and industrial safety, specialists, researchers, professionals, speakers, professors, business delegates and students.

**Why to Attend?**

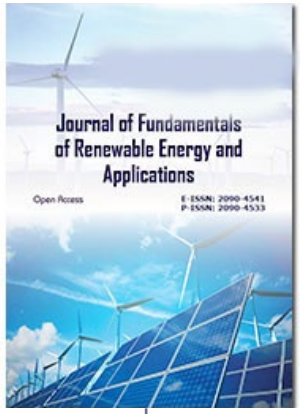

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

**Conference Highlights**

- Pollution
- Environmental
- Green and Renewable Energy
- Global Warming
- Climate Change
- Recycling & Waste Management
- Bioenergy and Biofuels
- Bioremediation
- Environmental Chemistry & Engineering
- Oceanography and Marine Biology
- Geophysics and Geo-technics
- Geosciences
- Green Nanotechnology
- Ecology and Ecosystems

# TESTIMONIALS

*The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.*

**Amur Margaryan**
*National Science Laboratory, USA*

*The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.*

**Kuang-Hui Chi**
*National Yunlin University of Science & Technology, Taiwan*

*That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.*

**Sudhanshu Sekhar Panda**
*University of North Georgia, USA*

*The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.*

**Ida PucciMinafra**
*University of Palermo, Italy*

*The conference was well organized and the committee was outstanding in keeping the whole event lively.*

**MouradTayebi**
*University of Surrey, England*

*It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.*

**Ram Shanmugam**
*Texas State University, USA*

**12+** Interactive Sessions

**10+** Keynote Lectures

**50+** Plenary Lectures

**5+** Workshops

**20+** Exhibitors

# ABOUT ROME

Rome, Italian Roma, historic city and capital of Roma provincia, of Lazio region, and of the country of Italy. Rome is located in the central portion of the Italian peninsula, on the Tiber River about 15 miles inland from the Tyrrhenian Sea. Once the capital of an ancient republic and empire whose armies and polity defined the Western world in antiquity and left seemingly indelible imprints thereafter, the spiritual and physical seat of the Roman Catholic Church, and the site of major pinnacles of artistic and intellectual achievement, Rome is the Eternal City, remaining today a political capital, a religious centre, and a memorial to the creative imagination of the past.

Rome's contemporary history reflects the long-standing tension between the spiritual power of the papacy and the political power of the Italian state capital. Rome was the last city-state to become part of a unified Italy, and it did so only under duress, after the invasion of Italian troops in 1870. The pope took refuge in the Vatican thereafter. Rome was made the capital of Italy, and the new state filled the city with ministries and barracks.

# REGISTRATIONS

*Registration Payment Method:*

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

### Academic

Only Registration: € 499
Package A (Registration + 2 nights' Accommodation): € 849
Package B (Registration + 3 nights' Accommodation): € 999

### Business

Only Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 949
Package B (Registration + 3 nights' Accommodation): € 1099

### Student

Student Delegate: € 349
Young Researcher Forum: € 399

### Important Dates

Abstract submission opens: July 25, 2023
Registration opens: July 25, 2023
On spot registration: Feb 15,2024

### Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
