WELCOME ADDRESS

Dear Attendees,

The Pollution Control 2026 Organizing Committee is absolutely delighted to welcome you to the **13th International Conference on Pollution Control & Sustainable** which will be held in **Dubai, UAE** on **March 19-20, 2026,** where we will be shining a spotlight on ***"Reshaping Our Environment: Cleaner Technologies, Smarter Solutions"***.

We look forward to providing you with an inspiring platform to present, discuss, and advance your research in pollution control and sustainability. The world-class scientific program will strengthen existing knowledge while showcasing innovative technologies and forward-looking solutions for a cleaner, greener future.

The congress is set to take place in Dubai, one of the world's most dynamic and iconic cities, renowned for its innovation and cultural diversity. Nestled along the Arabian Gulf, Dubai is a global hub that drives progress in business, science, technology, sustainability, healthcare, tourism, and education, making it a perfect setting for this international gathering.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Pollution Control 2026
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Pollution Control 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Pollution Control 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pollution Control research,Biomass & Algal Biofuel Production.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pollution Control.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

13th International Conference on Pollution Control & Sustainable is among the World's leading Scientific Conference. The two day event on Pollution Control will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Pollution Control & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Pollution conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Pollution Control.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Pollution Control provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Pollution Control 2026**.

ABOUT CONFERENCE

Who Should Attend?

experts, researchers, scholars and students from all areas of Basic science, Chemical engineering, Earth and planetary sciences, Ecology, Environmental science, Environmental toxicology, Bioremediation and Public health, Occupational and industrial safety, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

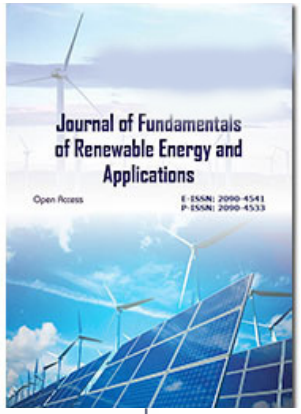

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Pollution
- Environmental
- Green and Renewable Energy
- Global Warming
- Climate Change
- Recycling & Waste Management
- Bioenergy & Biofuels
- Green Nanotechnology
- Ecology & Ecosystems
- Sustainable Agriculture
- Industrial Ecology
- Environmental AI & Data Analytics

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT DUBAI

Dubai, the vibrant jewel of the United Arab Emirates, is a world-renowned hub for business, science, culture, and tourism. Known for its breathtaking skyline and modern marvels, the city beautifully blends rich Arabian heritage with futuristic innovation. Iconic landmarks such as the Burj Khalifa, Burj Al Arab, Palm Jumeirah, and the Museum of the Future make Dubai one of the most inspiring destinations in the world.

With its desert climate, Dubai enjoys long sunny days throughout the year. Summers are hot and dry, while the months between November and March offer the most pleasant weather, making it the ideal time for visitors. During this season, outdoor events, beach activities, and sightseeing tours are especially popular.

Dubai's culture is deeply rooted in Emirati traditions yet reflects the cosmopolitan lifestyle of a global city. Visitors can explore traditional souks, mosques, and heritage villages, while also experiencing luxurious shopping malls, international cuisines, and world-class entertainment. The city is also committed to sustainability and innovation, evident in its smart urban planning and green initiatives.

Highlights of Dubai include the Dubai Marina, Dubai Creek, Jumeirah Mosque, Dubai Frame, and lively districts like Downtown Dubai, Jumeirah, and Deira. Beyond its iconic attractions, the charm of Dubai lies in the little moments—enjoying Arabic coffee in a traditional majlis, strolling along Jumeirah Beach Residence, or experiencing a thrilling desert safari.

Dubai is not just a destination—it is an experience that leaves every visitor inspired and amazed.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer

For group registrations please contact/email us at:
enquiries@europeconferences.com

Academic

Only Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 899
Package B (Registration + 3 nights' Accommodation): € 1049

Business

Only Registration: € 699
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1149

Student

Student Delegate: € 399
Young Researcher Forum: € 349

Important Dates

Abstract submission opens: August 25, 2025
Registration opens: August 25, 2025
On spot registration: March 19, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
