Invitation...

Dear Colleagues, Conference Series LLC welcomes you to attend 17th World Summit on Positive Psychology, Psychotherapy & Cognitive Behavioral Sciences during May 1-3, 2017 at Toronto, Ontario, Canada with the theme "Transforming Mental Health care through application of Positive Psychology with Psychotherapy & promoting the Science of Mindfulness, Happiness & Well-being for Psychological wealth'". This international meet (Positive Psychology 2017) provides the perfect platform for the scientific community as an interactive and engaging 3-day event: unique in format, content, networking and engagement. The conference program will consist of high-profile plenary/keynote lectures, University and industry invited speakers, symposiums, workshops, special sessions, oral and poster sessions, and exhibitions. Our goal is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matter. During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Mindfulness developed toward the start of the new millennium as a development inside brain research went for enhancing human strength and ideal human functioning.

The unifying theme in the developing craftsmanship and art of mindfulness has been a push to diminish enduring and bring more happiness and compassion in this world.

Why Video Presentations?

Unavailability to travel due to various issues such as time constraint and visa to enter the country. Video presentation is one best option to put across your research at a global platform. Having video played at the conference proceedings, would surely serve the purpose of online visibility for your research.

- No Travel Plan & Agreements
- No Visa Issues
- No Appointment to be cancelled
- No Break from the regular schedule

OCM certification

Every conference is been signed by an eminent member related to the topic of the respective conference. Having the certificate signed by the eminent personality to related field of your research would add an value to your research

Upon participating, OCM hard copy certification would be sent to respective participant

CPD Certification:

The Video Presenter may avail up to 20 CPD Credits

Duration of Video Presentation: Every video presentation would receive 10-15 minutes time span to play the video as a part of scientific program

Acknowledgements, Review & Communications of Session Chairs & Speakers:

Your Video will be represented by one of our scientific committee member. After the presentation, session chairs will call for queries from the session co-chairs and the rest of the speakers in the session.

Soon after the conference, all the communications from the session Chair and co speakers will be mailed to you.

Abstract Publication:

Abstract will be Published in the Conference souvenir and respective International journals

A unique DOI will be provided for your abstract

Your title and Full affiliation will be listed in the final Program

How to Proceed?

Submit your abstract with biography and PPT (Power Point Presentation) to respective conference email id or along with the name of the conference.

Upon submitting the abstract, you would receive an acknowledgment from any of the Program Manager within 24 hours.

Simply record your Presentation through camera/ Phone with high clarity and send the same to conference email ids.

About Toronto

Toronto is the most populous city in Canada and the provincial capital of Ontario. It is located in Southern Ontario on the north western shore of Lake Ontario. The earlier name of Toronto is York during late 18th century; the city was ransacked in the Battle of York during the War of 1812. In 1834, York became a city and renamed to Toronto. Toronto is a clean, safe cosmopolitan city with a wonderful network of parks, recreational, and cultural facilities. Toronto is the home of four professional sports teams and the third largest English-speaking theatre district in the world, behind New York and London. One of the world's most ethnically diverse cities, it is home to more than 80 ethnic communities from Africa, Asia, and Europe. Toronto is also the business centre of Canada.

Toronto is the leading tourism destination in Canada, attracting more than 25 million Canadian, American and international visitors annually (Tourism Toronto, 2012). In 2012, the Toronto region welcomed 9.9 million overnight visitors. Visitors to Toronto spend about $5.1 billion in direct expenditures during their visits. Visitors to the Toronto region support more than 329,000 people who work in tourism and hospitality. Based on 2013 estimates, Toronto welcomed 13.69 million overnight visitors. 1.42 million visitors arrived from overseas markets (all countries other than Canada and the U.S.) with a further 2.18 million Americans staying overnight – a 1.7 per cent increase over 2012 and a 9.7 per cent increase over 2010 (Tourism Toronto, 2013).The U.K. remains Toronto's largest overseas visitor market with 201,000 arrivals in 2013.

With exciting attractions, live performance, major league sports and a festival for nearly everything, you'll never run out of things to do in Toronto. And don't miss these highlights….

Tourism & Attractions in Toronto are CN Tower, Royal Ontario Museum, Art Gallery of Ontario, Casa Loma, Ripley's Aquarium of Canada, Hockey Hall of Fame, Toronto Islands, Rogers Centre, Ontario Science Centre, Toronto Zoo, Black Creek Pioneer Village, Toronto Harbour, Canadian National Exhibition, and Niagara Falls....
