Join us @ Toronto, Ontario, Canada, 2017

Invitation...

Dear Colleagues, Conference Series LLC welcomes you to attend 17th World Summit on Positive Psychology & Psychotherapy during May 1-3, 2017 at Toronto, Ontario, Canada with the theme "Transforming Mental Health care through application of Positive Psychology with Psychotherapy & promoting a Science of Mindfulness, Happiness & Well-being for Psychological wealth". This international meet (Positive Psychology 2017) provides the perfect platform for the scientific community as an interactive and engaging 3-day event: unique in format, content, networking and engagement. The conference program will consist of high-profile plenary/keynote lectures, University and industry invited speakers, symposiums, workshops, special sessions, oral and poster sessions, and exhibitions. Our goal is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matter. During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Positive psychology is the study of mindfulness, happiness & human flourishing. It explains the strengths and virtues that empower people, communities and organisations to thrive. It helps to build connections with advance prosperity of human versatility to promote the well-being of human resilience by unlocking the mysteries of mental illness and psychological wealth.

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Toronto

Toronto is the most populous city in Canada and the provincial capital of Ontario. It is located in Southern Ontario on the north western shore of Lake Ontario. The earlier name of Toronto is York during late 18th century; the city was ransacked in the Battle of York during the War of 1812. In 1834, York became a city and renamed to Toronto. Toronto is a clean, safe cosmopolitan city with a wonderful network of parks, recreational, and cultural facilities. Toronto is the home of four professional sports teams and the third largest English-speaking theatre district in the world, behind New York and London. One of the world's most ethnically diverse cities, it is home to more than 80 ethnic communities from Africa, Asia, and Europe. Toronto is also the business centre of Canada.

Toronto is the leading tourism destination in Canada, attracting more than 25 million Canadian, American and international visitors annually (Tourism Toronto, 2012). In 2012, the Toronto region welcomed 9.9 million overnight visitors. Visitors to Toronto spend about $5.1 billion in direct expenditures during their visits. Visitors to the Toronto region support more than 329,000 people who work in tourism and hospitality. Based on 2013 estimates, Toronto welcomed 13.69 million overnight visitors. 1.42 million visitors arrived from overseas markets (all countries other than Canada and the U.S.) with a further 2.18 million Americans staying overnight – a 1.7 per cent increase over 2012 and a 9.7 per cent increase over 2010 (Tourism Toronto, 2013).The U.K. remains Toronto's largest overseas visitor market with 201,000 arrivals in 2013.

With exciting attractions, live performance, major league sports and a festival for nearly everything, you'll never run out of things to do in Toronto. And don't miss these highlights….

Tourism & Attractions in Toronto are CN Tower, Royal Ontario Museum, Art Gallery of Ontario, Casa Loma, Ripley's Aquarium of Canada, Hockey Hall of Fame, Toronto Islands, Rogers Centre, Ontario Science Centre, Toronto Zoo, Black Creek Pioneer Village, Toronto Harbour, Canadian National Exhibition, and Niagara Falls....
