TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT PARIS

Welcome to Paris, the City of Light, where history, science, and innovation converge! Join us for the 15th International Conference on Preventive Medicine & Public Health, set against the breathtaking backdrop of one of the world's most iconic cities. With stunning landmarks like the Eiffel Tower, the Louvre, and Notre-Dame Cathedral, Paris offers an inspiring setting to advance global discussions on preventive healthcare and public health strategies. Beyond the conference sessions, attendees will have the chance to explore the rich culture of Paris, from its world-class museums to the charming streets of Montmartre.

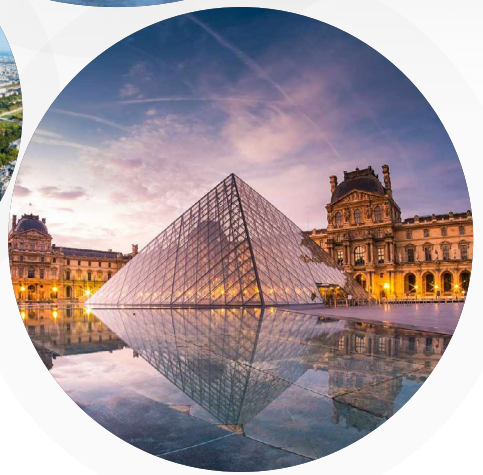

As a global hub for research and healthcare, Paris provides the perfect environment for exchanging groundbreaking knowledge and innovative solutions in preventive medicine and public health. The city's renowned medical institutions and forward-thinking atmosphere align seamlessly with the conference's focus on cutting-edge approaches to health promotion, disease prevention, and community well-being. Whether you're strolling along the Seine, enjoying a meal at a quaint café, or discovering the vibrant neighborhoods, Paris promises a truly enriching experience.

Paris is celebrated for its culinary excellence, offering an array of dining experiences from traditional French cuisine to international delicacies. Savor freshly baked croissants, gourmet meals, and fine wines—every meal in Paris is a celebration of taste and culture. The city is also exceptionally well-connected, with international airports, an efficient metro system, and a wide range of accommodations to suit every preference, ensuring a seamless and enjoyable visit.

We invite you to engage in transformative discussions on preventive medicine and public health while immersing yourself in the beauty and cultural wealth of Paris. The city's unique blend of innovation, history, and charm will inspire you both professionally and personally as we collaboratively shape the future of global health.
