B2B Meetings

Dear Attendees,

We are glad to announce the **10th International Conference on Probiotics and Prebiotics at Frankfurt, Germany during June 29-30, 2020** organized by Conference Series llc LTD in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference provides "the focal hub" for people to present their research and exchange ideas in a Asian venue. The organizing team assembles top speakers covering the latest advances in the field, incorporating diversity in every sense (gender, geography etc.).

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Probiotics 2020 Congress to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Tokyo this November.

Sincerely,
Probiotics 2020
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Probiotics 2020 Conference website is attracting 25000+ Food Scientists, Nutritionist, Dietitians, Microbiologist, Biotechnologist, Agrologists, QC and QA specialists, CEO's and R&D Heads from Industries, Directors, Head of office, Professors and Students from Academia in the exploration of Food Science and technology online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any otherconference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Probiotics 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networ king
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- Laudable talks by the choice of the worldwide academic group
- Sterling workshop sessions
- Remarkable Awards and Global Recognition to worthy Researchers
- Global Networking with 50+ Countries
- Novel Techniques to Benefit Your Research

B2B Meetings

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in **Probiotics and Prebiotics**
- Discuss and apply recent research findings related to **Probiotics and Prebiotics**
- Reflect on the place of critical distance in **Probiotics and Prebiotics**

Who should attend

The aim of the conference is to learn about recent advances, likely future developments and to exchange scientific ideas and experiences in our field all within a unique environment. It is our intention to further confirm Probiotics 2020 as the leading scientific conference on probiotics and prebiotics. Every year the conference attracts up to 500 leading scientists, researchers, specialists, academicians, instructors, experts, professionals, nutritionists, dieticians, health professionals, sports nutritionists, industry representatives, product developers, opinion leaders, clinical study managers, doctors and students to exchange ideas, develop networks and get recognized about the latest research improvements from the eminent figures working in the field of probiotics and to help find the gaps as still lying in the research field along thereby giving a more greater scope towards a better future with even better advancements and treatments for healing human health, animal health, plant health and aquatic health and explore more diversified and innovative applications of probiotics..

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, LLC LTD meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals **with the DOI provided by** Crossref

About Frankfurt

Frankfurt is a county town and the largest city of the German federal state of Hesse. The population 746,878 make it the fifth-largest city of Germany after Berlin, Hamburg, Munich, and Cologne. The River Main forms a continuous conurbation with the neighbouring city of Offenbach am Main, and its urban area has a population of 2.3 million. The Frankfurt city is at the centre of the larger Rhine-Main Metropolitan Region, which has a population of 5.5 million. Frankfurt is the second largest metropolitan region in Germany after the Rhine-Ruhr region. Frankfurt is the largest city in the Rhine dialect area of Franconia.

Frankfurt was a city state and is called Free City, and was one of the most important cities of the Holy Roman Empire, as a site of imperial coronations; it lost its sovereignty after the collapse of the empire in 1806 and then permanently in 1866, when it was annexed by the Kingdom of Prussia. Since 1945, it has been part of the federal state of Hesse. A quarter of the population is foreign, including many expatriates.

Frankfurt is a city of the alpha world and a global center for trade, culture, education, tourism and transport. Frankfurt is the site of many global and European corporate headquarters. Frankfurt Airport is among the busiest in the world. Frankfurt is the main financial center of the European continent, with the headquarters of the European Central Bank, the German Federal Bank, the Frankfurt Stock Exchange, the Deutsche Bank, the DZ Bank, the KfW, the Commerzbank, several cloud companies and fintech and other institutes.
