WELCOME ADDRESS

Dear Attendees,

The Psych Central 2026 Organizing Committee is absolutely delighted to welcome you to the **6th Annual Psychiatrists and Psychologists Meet** which will be held in **Amsterdam, Netherlands** on **October 26-27, 2026,** where we will be shining a spotlight on *"Advancing Mental Health Through Innovation, Compassion, and Collaborative Care"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Psychology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Psych Central 2026

ABOUT US

Goals & Objectives

- The Psych Central 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Psychiatry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Psychiatry.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

6th Annual Psychiatrists and Psychologists Meet is among the World's leading Scientific Conference. The two day event on Psychology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Psychiatry and Psychology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Psychology conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Psychology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Psychology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Psych Central 2026**.

TESTIMONIALS

The many variations of subjects and professions made a nice and interesting input to the congress and valuable. It was managed very well under a difficult period in our life and with flexibility as well as patients, which influenced the speaker positive.

Elizabeth Ekman
Karlstad University, Sweden

Thank you very much , please I want to write a review for you because I have enjoyed every presentation yesterday were really good ones. I will get in touch with you for full length after the abstract to get published.

Elona Greca
Larkin Community Hospital, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT AMSTERDAM

Amsterdam, the vibrant capital of the Netherlands, is one of Europe's most captivating destinations, renowned for its picturesque canals, historic architecture, world-class museums, and dynamic multicultural environment. Recognized as a global centre for healthcare, life sciences, education, and scientific innovation, the city provides an ideal setting for international conferences and academic exchange. Amsterdam is home to leading universities, research institutions, and medical centres, fostering collaboration and innovation across diverse disciplines, including mental health and behavioural sciences.

With its excellent international connectivity through Amsterdam Airport Schiphol, efficient public transportation, modern conference venues, and welcoming atmosphere, the city offers delegates a seamless and enriching conference experience. Beyond the scientific programme, attendees can explore iconic landmarks such as the UNESCO-listed Canal Ring, the Rijksmuseum, the Van Gogh Museum, the Anne Frank House, and the city's vibrant cultural districts. Combining academic excellence with rich history, sustainability, and cultural diversity, Amsterdam serves as the perfect host city for the 6th Annual Psychiatrists and Psychologists Meet, providing an inspiring environment for professionals to exchange knowledge, foster collaborations, and advance the future of mental health through innovation, compassion, and collaborative care.
