About the conference

The 8th European Conference on Public Health, Well-being, and Healthcare Management, scheduled for September 23-24, 2025, in Paris, France, is a premier event that brings together experts, practitioners, and thought leaders from around the world. This conference is dedicated to addressing the critical issues and emerging trends in public health, well-being, and healthcare management. With a focus on innovative strategies, evidence-based practices, and multidisciplinary approaches, the event aims to foster collaboration and knowledge exchange among professionals dedicated to improving health outcomes and promoting well-being.

Participants will have the opportunity to engage with a diverse range of topics, including healthcare policy, mental health, health equity, digital health, and sustainable healthcare systems.

Theme: "Empowering Communities: Strategies and Innovations for Advancing Public Health and Well-being"

Why to attend the conference

Attending this conference offers a unique opportunity to advance your knowledge, expand your professional network, and contribute to the future of public health and healthcare management. Here are some key reasons to join us:

Cutting-Edge Research and Insights: Gain access to the latest research, trends, and innovations in public health, well-being, and healthcare management from global experts.

Networking Opportunities: Connect with professionals, researchers, and thought leaders from around the world, opening doors for collaboration and career advancement.

Expert-Led Sessions: Attend keynote presentations, panel discussions, and workshops led by renowned experts, providing you with valuable knowledge and practical skills.
