WelCome address

Dear Attendees,

The Tuberculosis 2026 Organizing Committee is absolutely delighted to welcome you to the **16th International Conference on Pulmonary & Respiratory Medicine** which will be held in **Paris, France** on **November 23–24, 2026,** where we will be shining a spotlight on *"Next-Generation Respiratory Medicine: AI, Precision Therapies, and Global Lung Health"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Tuberculosis, Lung Infections, and Respiratory Care research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Pulmonology 2026

about us

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Pulmonology 2026 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

about us

Goals & Objectives

- The Pulmonology 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pulmonology conference..

- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pulmonary & Respiratory Medicine Conference.

- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

On behalf of Scientific Organising Committee we are overwhelmed to welcome all the interested participants to attend **16th International Conference on Pulmonary & Respiratory Medicine** during **November 23–24, 2026, Paris, France**.

The conference is going to be organized on the theme: Next-Generation Respiratory Medicine: AI, Precision Therapies, and Global Lung Health. This Chronic Obstructive Pulmonary Disease goes to be the most important and most promising international conference that specifically focuses on the Chronic Obstructive Pulmonary Disease by bringing all renowned researchers under one roof. this is often a 3 day multidisciplinary meeting covering all aspects of novel research and contributions within the field ofChronic Obstructive Pulmonary Disease.

about ConferenCe

Who Should Attend?

experts, researchers, scholars and students from all areas of Diagnostic Laboratories, Clinical Fellows, Research Scholars, scholars, Biomedical Research companies, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & Structural Biology of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Advances in Tuberculosis Diagnosis
- Drug-Resistant Tuberculosis and Treatment Strategies
- Respiratory Infections Beyond TB
- Pulmonary Imaging and Radiology
- Antimicrobial Stewardship in Respiratory Care
- Pediatric and Neonatal Respiratory Care
- Emerging and Zoonotic Respiratory Infections
- Pulmonary Oncology and Lung Cancer Management
- Environmental and Occupational Lung Diseases
- Pulmonary Fibrosis and Chronic Lung Diseases
- Telemedicine and Digital Health in Respiratory Care
- Nutrition and Lifestyle Interventions in Respiratory Health • Pulmonary Hypertension and Vascular Lung Diseases
- Respiratory Microbiome and Host Interactions
- Future Directions in Respiratory Medicine

testimonials

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan

NationalScienceLaboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi

NationalYunlinUniversity of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda

University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra

University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi

UniversityofSurrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam

Texas State University, USA

about paris

Paris, the capital city of France, is renowned as the “City of Light” and a global center of art, fashion, and culture. Situated along the River Seine, Paris is celebrated for its iconic landmarks, including the Eiffel Tower, Notre-Dame Cathedral, and the Louvre Museum, which houses masterpieces like the Mona Lisa. Its historic neighborhoods, such as Montmartre and Le Marais, offer charming streets, quaint cafés, and a glimpse into the city’s rich past. Paris is synonymous with culture and creativity. The city’s theaters, galleries, and opera houses showcase centuries of artistic achievement, while world-famous fashion houses establish Paris as a global style capital. Culinary delights abound, from freshly baked croissants and delicate pastries to gourmet cuisine served in elegant bistros and Michelin-starred restaurants.

Beyond its landmarks and art, Paris exudes a unique atmosphere of romance and elegance. Its tree-lined boulevards, scenic bridges, and lively public squares invite both locals and visitors to savor everyday life. With a perfect blend of historic charm and modern vibrancy, Paris captivates the imagination, offering an unforgettable experience. Every corner of the city reflects its rich heritage, making Paris a timeless destination that continues to inspire and enchant travelers from around the world.

registrations

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

) By Credit Card: Visa, MasterCard or American Express
) By Bank Transfer
) By Pay-pal

For group registrations please contact/email us at:
respiratorycare@theannualmeet.com

Academic

Speaker Registration: € 479
Package A (Registration + 2 nights' Accommodation): € 879
Package B (Registration + 3 nights' Accommodation): € 979

Business

Only Registration: € 579
Package A (Registration + 2 nights' Accommodation): € 1099
Package B (Registration + 3 nights' Accommodation): € 1299

Student

Student Delegate: € 369
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: November 05, 2025 Registration opens: November 05, 2025
On spot registration: November 23, 2026

Registration Benefits:

- 9 Access to all Sessions
- 9 Handbook & Conference Kit
- 9 Certificate Accreditation from the Organizing Co m m itte e
- 9 Abstracts will be published in the conference souvenir and respective international journal
- 9 Each registrant will get 50% abatement on manuscript publication fee
- 9 2 Coffee breaks (Refreshments and snacks) during the conference
- 9 Lunch during the conference
- 9 Wi-Fi access
