Invitation

Dear Attendees,

We are glad to announce the 10th International Conference on Quantum Physics and Mechanics to be held at Paris, France from October 27-28, 2025 organized by Conference Series LLC Ltd, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Quantum Mechanics 2025 is an extraordinary event to facilitate the dissemination and application of research findings related to Quantum Physics and Mechanics and its research. The conference invites participants from all leading Universities, Quantum Physics and Mechanics Research Institutions and Companies to share their research experiences on all aspects of this rapidly expanding field and thereby, providing a showcase of the latest innovations and advancements in Quantum Physics and Mechanics.

As the premier Conference, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Quantum Physics and Mechanics Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to your participation at Paris, France this October.

Sincerely,
Quantum Mechanics 2025
Organizing Committee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series llc LTD Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Quantum Mechanics 2025 Conference website is attracting 25000+ online visitors ranging from Researchers, Academicians and Business professionals, who are working in Environmental Science field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Quantum Mechanics 2025 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Medical Imaging and Clinical Research present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Quantum Mechanics 2025

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Quantum Physics and Mechanics
- Discuss and apply recent research findings related to Quantum Physics and Mechanics
- Reflect on the place of critical distance in research of Quantum Physics and Mechanics

Who should attend

10th International Conference on Quantum Physics and Mechanics is among the World's leading Scientific Conference. The two day event on Quantum Physics and Mechanics practices will host 60+ Scientific and technical sessions and sub- sessions on cutting edge research and latest research innovations in the field of Quantum Physics and Mechanics across the globe. This year Quantum Physics and Mechanics conference will comprises of 14 major sessions designed to offer comprehensive sessions that address current issues in various fields of Quantum Physics and Mechanics. The attendees can find- Exclusive Sessions and discussions on latest innovations Quantum Physics and Mechanics. By participating in the conference, attendees will be able to study the advances in the Quantum Physics and Mechanics. This International Conference on Quantum Physics and Mechanics Webinar conference provides an opportunity to share research with Experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as Presented at Quantum Mechanics.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

About Conference

Major Sessions

- Quantum Mechanics
- Quantum Field Theory (QFT)
- Quantum Topology
- Quantum Spintronics
- Quantum Technology
- Quantum Sensing
- Quantum Imaging
- Atomic, Molecular and Optical Physics
- In-depth Quantum Physics
- Nuclear Engineering
- Power plant Stimulation
- Nuclear Decommissioning and Waste Management
- Nuclear Plant Chemistry
- Power Plant Technologies
