WELCOME ADDRESS

Dear Attendees,

The Rare Diseases Congress 2025 Organizing Committee is absolutely delighted to welcome you to the **14th World Congress on Rare Diseases and Orphan Drugs** which will be held in **Amsterdam, Netherlands** on **June 02-03, 2025,** where we will be shining a spotlight on ***"Innovative Approaches to Rare Disease Treatment: What Lies Ahead"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress will be held in Amsterdam, a vibrant global city known for its rich artistic heritage and cultural diversity. With over 75 museums, including the renowned Rijksmuseum and Van Gogh Museum, Amsterdam attracts art lovers from around the world. The city is also a haven for classical music enthusiasts, featuring the acclaimed Royal Concertgebouw Orchestra and several grand opera houses that host spectacular performances. Additionally, Amsterdam's lively theater scene offers a variety of shows, from contemporary plays to traditional Dutch performances, ensuring there is always something to entertain every visitor.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Rare Diseases Congress 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Rare Diseases Congress 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Rare Diseases Congress 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Rare Diseases, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Rare Diseases.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

14th World Congress on Rare Diseases and Orphan Drugs is among the World's leading Scientific Conference. The two day event on Rare Diseases will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging infectious diseases & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 27 major sessions designed to offer comprehensive sessions that address current issues in various fields of Rare Diseases.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Rare Diseases provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Rare Diseases Congress 2025**.

ABOUT CONFERENCE

Who Should Attend?

Rare Diseases Congress 2025 Conference website is attracting 56000+ physicians, public health experts, AIDS/HIV specialists, infectious diseases physicians, biologists, virologists, immunologists, microbiologists, clinical microbiologists, pathologists, epidemiologists, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

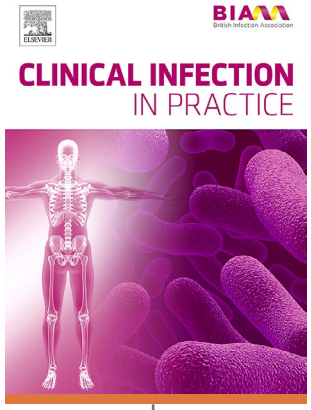

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

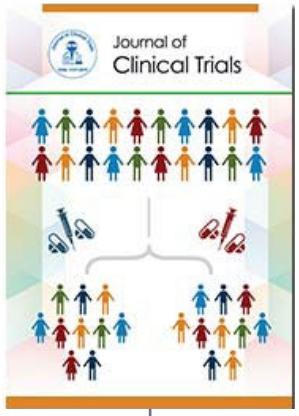

- Rare Diseases and Orphan Drugs
- Introduction and Causes of New Rare Diseases
- Clinical Case Reports and Case Studies
- Different Types of Rare Diseases
- Challenges of Living with a Rare Disease
- Rare Autoimmune Disorders
- Rare Bone Diseases
- Rare Cancer
- Rare Diseases and Orphan Drugs

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: €599
Delegate: €499
Regular Issue Publication + Registration: €1250
Special Issue Publication + Registration: €2200

Business

Only Registration: €699
Delegate: €599
Special Issue Publication + Registration: €2418
Regular Issue Publication + Registration: €2500

Student

Student Delegate: €399
Young Researcher`s Forum: €499
Poster: €499

Others

E- Poster: €99

Important Dates

Abstract submission opens: November 28, 2024
Registration opens: November 28, 2024
On spot registration: June 02, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
