September 09-10, 2020 | Valencia, Spain

18th Global Recycling Expo

September 09-10, 2020 | Valencia, Spain

+44 7460854031

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the 18th Global Recycling Expo during September 09-10, 2020 | Valencia, Spain. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of RECYCLING 2020

RECYCLING 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals. This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Advocating Waste Disposal and Recycling Practices for Clean and Green Environment"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the RECYCLING 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to this November.

Sincerely,
RECYCLING 2020
OrganizingCommittee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

RECYCLING 2020 Conference website is attracting 25000+ Professors, Scientists, Researchers, Students, Environmentalist, Metrologists, Climatologists online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

RECYCLING 2020 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about Neuroscience and Neurology and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of RECYCLING
- Discuss and apply recent research findings related to RECYCLING
- Reflect on the place of critical distance in RECYCLING

Who should attend

RECYCLING Conference is exclusively designed for Professors, Scientists, Researchers, Students, Environmentalist, Metrologists, Climatologists Business professionals and others engaged in endeavours related to RECYCLING research and business.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000 + Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

2020

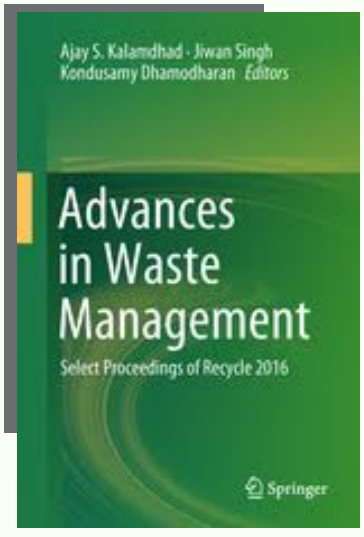

Major Sessions

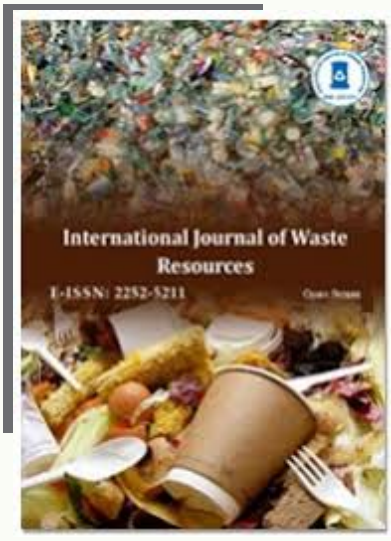

- Environmental chemistry
- Reduce, Reuse, Recycle and Recovery
- Waste and Biomass Valorization
- Biodiesel and Biofuels
- Bio- Electrochemical Treatment Systems
- Bio- Plastics
- Solid Waste Management
- Renewable Resources
- Waste Water treatments
- Bioremediation
- E-Wastes
- Bio- Energy from Waste
- Sustainable waste Management
- Environmental impact Assessment
- Remote Sensing and Satellite Technology
- Landfills
- Microbial Fuel cell Technology
- Recycling Business
- Waste Treatment Technologies
- Waste Processing Industries
- Pollution and Climate Change

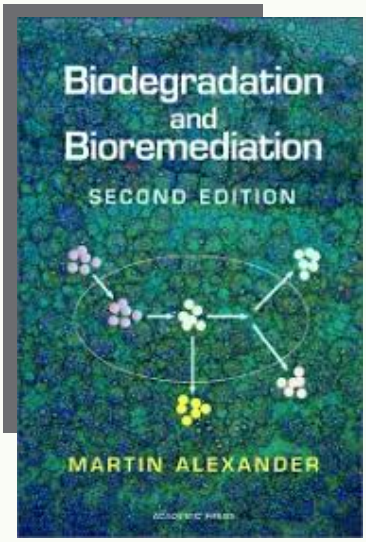

Supporting Journals

- International Journal of Waste Resources
- Advances in Recycling & Waste Management
- Journal of Bioremediation & Biodegradation

About

Valencia, officially València is on the east coast of Spain, is the capital of the autonomous community of Valencia and the third-largest city in Spain after Madrid and Barcelona, with around 800,000 inhabitants in the administrative centre. Its urban area extends beyond the administrative city limits with a population of around 1.6 million people. Valencia is Spain's third largest metropolitan area, with a population ranging from 1.7 to 2.5 million depending on how the metropolitan area is defined. The Port of Valencia is the 5th busiest container port in Europe and the busiest container port on the Mediterranean Sea. The city is ranked at Beta-global city in the Globalization and World Cities Research Network. Valencia is integrated into an industrial area on the Costa del Azahar (Orange Blossom Coast).

The city is situated on the banks of the Turia, on the east coast of the Iberian Peninsula, fronting the Gulf of Valencia on the Mediterranean Sea. Its historic centre is one of the largest in Spain, with approximately 169 ha (420 acres); this heritage of ancient monuments, views and cultural attractions makes Valencia one of the country's most popular tourist destinations.

Due to its long history, this is a city with numerous popular celebrations and traditions, such as the Fallas (featuring the traditional Spanish dish paella), which were declared as Fiestas of National Tourist Interest of Spain in 1965 and Intangible cultural heritage by UNESCO in November 2016.

Starting in the mid-1990s, Valencia, formerly an industrial centre, saw rapid development that expanded its cultural and tourism possibilities, and transformed it into a newly vibrant city In its long history, Valencia has acquired many local traditions and festivals. Valencia is known internationally for the Falles , a local festival held in March, as well as for paella valenciana, traditional Valencian ceramics, craftsmanship in traditional dress, and the architecture of the City of Arts and Sciences, designed by Santiago Calatrava and Félix Candela. Valencia is a bilingual city Valencia is also internationally famous for its football club, Valencia C.F.
