Invitation

Regenerative Medicine 2017 welcomes you to attend the **7th International Conference on Tissue Engineering & Regenerative Medicine**, which is going to be held in **Barcelona, Spain** during **October 02-04, 2017**.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Tissue Engineering & Regenerative Medicine.

Regenerative Medicine 2017 anticipates more than 500 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related Conference Series LLC Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues.

The main theme of the conference is **"Transforming Repairs into Regeneration".** Avail the delegate early bird offer.

Regards,

Regenerative Medicine 2017 Operating Committee

Conference Highlights

- Tissue Engineering
- Regenerative Medicine
- Stem Cells
- Scaffolds in Regenerative Medicine
- Tissue Repair and Regeneration
- Stem Cell Treatments
- Embryonic Stem Cell
- Cellular Therapies
- Rejuvenation
- Gene Therapies
- Immunotherapy
- Biomaterials and Bioengineering
- Stem Cell Transplant
- Ethical and Legal Issues
- Cell Engineering
- Cell and Organ Regeneration
- Translational Medicine
- Bone Tissue Engineering
- Models of Regeneration
- Regenerative Medicine Market
- Regenerative Medicine Europe

Conference Secretariat
2360 Corporate Circle, Suite 400 Henderson, NV 89074-7722, USA
Ph: +1-650-268-9744, Fax: +1-650-618-1414, Toll free: +1-800-216-6499

About Us

Conference Series LLC Journals

- 500 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series LLC Conferences

- 300 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by crossref

About Conference

The field of Dermatology is growing rapidly and its development is making tremendous impacts in clinical and medical sciences. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Regenerative Medicine 2017

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series LLC Journals
    - Journal of Tissue Science & Engineering
    - Journal of Biochips & Tissue Chips
    - Journal of Cytology & Histology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting Health care, Clinical R & D
- Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Healthcare, Industry Developers

About Barcelona

Barcelona is the capital city of the autonomous community of Catalonia in Spain and Spain's second most populated city, with a population of 1.6 million within its administrative limits. Its urban area extends beyond the administrative city limits with a population of around 5 million people, being the sixth-most populous urban area in the European Union after Paris, London, Madrid, the Ruhr area, and Milan. It is the largest metropolis on the Mediterranean Sea, located on the coast between the mouths of the rivers Llobregat and Besòs, and bounded to the west by the Serra de Collserola mountain range, the tallest peak of which is 512 metres (1,680 ft.) high. It is Founded as a Roman city, in the Middle Ages Barcelona became the capital of the County of Barcelona. After merging with the Kingdom of Aragon, Barcelona continued to be an important city in the Crown of Aragon as an economical and administrative centre of this Crown and the capital of the Principality of Catalonia. Besieged several times during its history, Barcelona has a rich cultural heritage and is today an important cultural centre and a major tourist destination. Particularly renowned are the architectural works of Antoni Gaudí and Lluís Domènech i Montaner, which have been designated UNESCO World Heritage Sites. The headquarters of the Union for the Mediterranean is located in Barcelona. The city is known for hosting the 1992 Summer Olympics as well as world-class conferences and expositions and also many international sport tournaments.
