Dear Friends!!

The Registered Nurse and Nurse Practitioner 2018 annual meeting offers unparalleled educational, networking and business development opportunities. This two-day meeting is so highly regarded that more than 250+ attendees travel from 90 countries to attend and participate – making it the largest educational event in nursing in the world. We're excited to invite you to be part of it.

The goal of the Registered Nurse Congress 2018 is to respond to the changing educational needs of its members whether this is through additional workshops, simulation or electronic media. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the attendees from Universities and Institutes to interact with the world class Experts. Registered Nurse Congress 2018 is committed to providing attendees with an amazing experience. The Registered Nurse and Nurse Practitioner annual meeting is sure to exceed your expectations in every way. With over 60 educational sessions that cross 12 clinical tracks, you are invited to participate in seminars, refresher course lectures, panels, pro-con debates, clinical forums, hands-on workshops, scientific abstract posters and presentations, and medically challenging cases. This meeting offers something for everyone.

With Best Regards

Registered Nurse Congress 2018

Why Chicago, Illinois?

Chicago is the third largest and most populous city in the United States, with a population of nearly 3.0 million people. It is also the most populous city in both the state of Illinois and the Midwestern United States and considered one of the most important business centers in the world. The metropolitan area of Chicago often referred to as Chicago-land, has often been called a global architecture capital. Positioned along Lake Michigan, the city is an international hub for technology, commerce, industry, finance, telecommunications, and transportation. Chicago has the third-largest gross metropolitan product in the U.S about $670 billion according to 2015 estimates. The city has one of the world's largest and most diversified economies with no single industry employing more than 15% of the workforce. In last year, Chicago hosted a record 55.0 million domestic and international visitors, making it one of the most visited cities in the United States. There are many colleges and universities in the Chicago area.

TOURISTS ATTRACTIONS CHICAGO, USA

Adler Planetarium

The Adler Planetarium is a public museum dedicated to the study of astronomy and astrophysics. The Adler Planetarium opens a new attraction this weekend: "Welcome to the Universe," screening in the thrillingly upgraded Grainger Sky Theater. It's hard to know what to call it—A short film? Sky show? Presentation?—but the 25-minute experience most assuredly will reorient your perspective. And for those too little to follow the scientific narration, there's a never-ending array of visuals to engage imaginations young and old.

Cloud Gate

Cloud Gate is a public sculpture by Indian-born British artist Sir Anish Kapoor, that is the centerpiece of AT&T Plaza at Millennium Park in the Loop community area of Chicago, Illinois. The sculpture and AT&T Plaza are located on top of Park Grill, between the Chase Promenade and McCormick Tribune Plaza & Ice Rink. Constructed between 2004 and 2006, the sculpture is nicknamed The Bean because of its shape. Made up of 168 stainless steel plates welded together, its highly polished exterior has no visible seams. It measures 33 by 66 by 42 feet (10 by 20 by 13 m).

John Hancock Building

360 CHICAGO observation deck, located 1000 feet above the famed Magnificent Mile in the iconic John Hancock Building, offers breathtaking 360 degrees views of the city skyline and Lake Michigan. 360 Chicago observation deck is also home of TILT – Chicago's highest thrill ride – an enclosed moving platform that literally tilts you out over Michigan Avenue from the 94th Floor. With its many interactive learning opportunities on the city's rich history, colorful neighborhoods and its iconic architecture, along with a modern Bar and Café where you can relax and enjoy the best views of the city, 360 CHICAGO is the perfect place to enjoy an unforgettable experience.

Millennium Park

Millennium Park is a public park located in the Loop community area of Chicago and originally intended to celebrate the third millennium. Millennium Park is successful as a public art venue in part due to the grand scale of each piece and the open spaces for display. Millennium Park has four major artistic highlights: the Jay Pritzker Pavilion, Cloud Gate, the Crown Fountain, and the Lurie Garden.

The Field Museum

The Museum of Science and Industry is located in Chicago. The museum has over 2,000 exhibits, displayed in 75 major halls, many of the exhibits are interactive, ranging from "Genetics: Decoding Life", which looks at how genetics affect human and animal development as well as containing a chick hatchery composed of an incubator where baby chickens hatch from their eggs and a chick pen for those that have already hatched, as well as housing genetically modified frogs, mice, and drought resistant plants.

Shedd Aquarium

Shedd Aquarium is an indoor public aquarium in Chicago, Illinois in the United States. The aquarium contains 1,500 species, including fish, marine mammals, birds, snakes, amphibians, and insects. In 2015, the aquarium had 2.02 million visitors. It was the most visited aquarium in the U.S. in 2005, and in 2007, it surpassed the Field Museum as the most popular cultural attraction in Chicago.

DoubleTree by Hilton
9599 Skokie Blvd, Skokie, IL 60077, USA

Directions from Airport

Follow signs to exit the airport towards Chicago downtown. Stay in the right hand lane and exit River Road South. Go 1 block, hotel is on the right hand side.

Weather

If you're travelling to Chicago at this time of year, be sure to pack some warm clothes, a sufficient winter coat and an umbrella. Also be aware that the rain can easily turn to snow at this time of the year. December can experience on average 8.98 inches of snow throughout the year. A different take on the tradition of Christmas caroling is taken with Caroling to the Animals when local chorus groups sing to animals at the Lincoln Park Zoo. You can also see Santa feed the animals. Another zoo to catch the festive spirit is the Brookfield Zoo with the Brookfield Zoo Holiday Magic event, with carolers, a laser light show and Christmal lights among the festivities.
