Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Invitation...

Dear Colleagues, Conference Series Ltd. welcomes you to attend 2nd International Congress on Restorative & Alternative Medicine during November 06-07, 2017 at Vienna, Austria with the theme "Airing recent advancement on Restorative Medicine & Therapeutics". This international meet (Restorative Congress 2017) provides the perfect platform for the scientific community as an interactive and engaging 2-day event: unique in format, content, networking and engagement. The conference program will consist of high-profile plenary/keynote lectures, University and industry invited speakers, symposiums, workshops, special sessions, oral and poster sessions, and exhibitions. Our goal is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matter. During the conference, we assure you that you will experience world class facilities and hospitality at the conference. Restorative Congress 2017 is the study of mindfulness, happiness & human flourishing. It explains the strengths and virtues that empower people, communities and organisations to thrive. It helps to build connections with advance prosperity of human versatility to promote the well-being of human resilience by unlocking the mysteries of restorative techinques and other advancements in the field of alternative medicine.
