About the conference

The“29th International Conference on Skin care and Cosmetology” which will be held from September 18-19, 2024 at Amsterdam, Netherlands which includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

The general theme of the conference focusses on The Beauty Equation: Balancing Science, Art, and Wellness in Skincare and Cosmetology. The effects of genetic factors, environmental insults and the benefits of active skin care products and nutrition will be discussed.

Dermatology is the branch of science which offers treatment for diseases of hair, nails and skin. The ailments related to them are termed as dermatological diseases. A dermatologist treats illnesses, in the widest sense, and a few beauty issues of the dermis. Acne is an expanded day and age epidermis described by ranges of clogged pores, whiteheads, skin inflammation, oily dermis, and conceivably scarring. Skin cancer and malignancy of epithelial cells, Contact dermatitis, Psoriasis, Rosacea, Cellulitis, Viral skin diseases. Dermatological problems are either intrinsic abnormalities or derangement of normal processes related to skin hair and nail.

Theme: “Global Glow: Celebrating Diversity in Beauty Practices”.

Why to attend the conference

As a passionate dermatologist, the conference theme of “Global Glow: Celebrating Diversity in Beauty Practices" is a great opportunity for all colleagues to meet in a scientific exchange platform and share the advances in our field and discuss the knowledge gaps. International experts in Dermatology, Cosmetology and Plastic Surgery with a large experience will share their research and clinical perspectives during this interesting conference, which we hope, be of great interest in our clinical practice. Sharing and exchanging our personal clinical perspective with worldwide experts will make this conference an enriching experience for all of us.
