About the conference

The 30th International Conference on Skincare and Cosmetology, scheduled for July 23-24, 2025, in the vibrant city of Amsterdam, Netherlands, promises to be a pivotal event for professionals in the skincare and beauty industry. This year's theme, "Advancements in Anti-Aging Treatments: Exploring New Horizons in Skincare Science and Technology." will explore the latest advancements in cosmetic formulations, dermatological research, and sustainable practices. Attendees will have the opportunity to engage with leading experts through keynote speeches, panel discussions, and interactive workshops, fostering a collaborative environment for sharing insights and best practices.In addition to the rich program of presentations, the conference will feature an exhibition showcasing cutting-edge products and technologies from global brands. This is an excellent opportunity for networking, allowing professionals to connect with industry leaders, researchers, and emerging start-ups. Participants can look forward to discussions on crucial topics such as the impact of artificial intelligence in skincare, the role of micro biomes in skin health, and advancements in anti-aging treatments. The picturesque backdrop of Amsterdam, known for its cultural heritage and innovation, will further enhance the experience, making this conference a must-attend event for anyone passionate about the future of skincare and cosmetology..

Theme: "Digital Transformation: Social Media's Impact on Beauty Brands".

Why to attend the conference

Workshops and Sessions: Participate in hands-on workshops and breakout sessions that provide practical skills and in-depth understanding of specific topics.

Showcase Innovations: Discover new products, technologies, and services from exhibitors, giving you insight into emerging market trends.

Professional Development: Enhance your skills and knowledge, contributing to your career growth and opportunities for advancement.

Global Perspective: Engage with a diverse group of attendees, gaining insights into different markets and cultural approaches to skincare and beauty.

Certifications and Credits: Some conferences offer continuing education credits or certifications, which can be beneficial for professional development.
