About the conference

Welcome to the 8th World Pediatrics Conference, convening on August 26-27, 2024, in the vibrant city of Singapore City, Singapore. Our mission is to foster collaboration, innovation, and excellence in sleep medicine, bringing together leading experts, researchers, clinicians, and policymakers from around the globe.

With a vision to advance the health and well-being of children worldwide, this conference serves as a platform for sharing cutting-edge research, best practices, and advancements in sleep disorders. Through insightful discussions, interactive sessions, and networking opportunities, we aim to address the most pressing challenges facing Sleep Disorders and Therapeutics healthcare today.

Together, we strive to improve outcomes, promote health equity, and ensure that every child receives the highest quality of care. Join us in Singapore as we work towards a brighter future for sleep medicine, shaping the landscape of global healthcare for generations to come.

Theme: "Navigating the Future of Sleep: Integrating Research and Practice for Better Outcomes."
