7th International Conference on

SMART MATERIALS AND SUSTAINABLE TECHNOLOGIES

April 08-09, 2019 | Toronto, Ontario, Canada

Day 1: April 08, 2019	
Opening Ceremony (8:30-9:00)	
Keynote Forum (09:00-10:30)	
Pannel Discussion & Group Photo (10:30-10:40)	
Networking and Refreshments Break (10:40-11:00)	
Speaker Session I (11:00-13:00)	Smart Materials and Technologies | Smart Structures | Sustainable Technologies | Metallurgy and Materials Science | Nanomaterials, Nanotechnology and Sensors
	Panel Discussion
Lunch Break (13:00-14:00)	
Speaker Session II (14:00-16:00)	Architecture and Civil Engineering | Green Chemistry | Optics, Electronic and Magnetic Materials | Smart Materials in Industrial Application | Environmental Technology
	Panel Discussion
Networking and Refreshments Break (16:00-16:20)	
Speaker Session III (16:20-17:00)	Smart Biomaterials and Medical Devices | Materials for Energy Conversion and Storage Devices | Advances in Sustainable Technologies | Materials Chemistry | New Concepts and Innovations
	Pannel Discussion
YRF Forum (17:00-18:00)	
Day 1 concludes…	

Day 2: April 09, 2019	
Keynote Forum (09:00-10:30)	
Pannel Discussion & Group Photo (10:30-10:40)	
Networking and Refreshments Break (10:40-11:00)	
Speaker Session I (11:00-13:00)	Smart Materials and Technologies | Smart Structures | Sustainable Technologies | Metallurgy and Materials Science | Nanomaterials, Nanotechnology and Sensors
	Panel Discussion
Lunch Break (13:00-14:00)	
Speaker Session II (14:00-16:00)	Architecture and Civil Engineering | Green Chemistry | Optics, Electronic and Magnetic Materials | Smart Materials in Industrial Application | Environmental Technology
	Panel Discussion
Networking and Refreshments Break (16:00-16:20)	
Speaker Session III (16:20-17:00)	Smart Biomaterials and Medical Devices | Materials for Energy Conversion and Storage Devices | Advances in Sustainable Technologies | Materials Chemistry | New Concepts and Innovations
	Pannel Discussion
Poster Presentations (17:00-18:00)	
Day 2 concludes…
