WELCOME ADDRESS

Dear Attendees,

The Soil Science 2024 Organizing Committee is absolutely delighted to welcome you to the **8th Annual Congress on Soil, Plant and Water Sciences** which will be held in **Rome, Italy** on **December 12-13, 2024,** where we will be shining a spotlight on *"Driving Sustainable Solutions through Innovation in Soil, Plant, and Water Sciences."* .

The congress is to be held in one of the world's most important global city Dublin, Ireland. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Soil Science 2024

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Soil Science 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Soil Science 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Soil science research, Soil nutrition, Soil morpholology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Plant science.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

Soil Science 2024 is the premier event that brings together a unique and international mix of experts, researchers and decision makers both from academia and industry across the globe to exchange their knowledge, expertise and research innovations to build a world class plant Science conference.

It's our greatest pleasure to welcome you to the official website of 8th Annual Congress on Soil, Plant and Water Sciences that aims at bringing together the Professors, Researchers, and scientists, Lab Scientists to provide an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices.

ABOUT CONFERENCE

Who Should Attend?

This is the finest opportunity for an interaction with largest assembly of participants from the soil sciences associations, water science associations soil sciences societies, water science societies, Agriculture, Agronomy, hydrology, soil sciences and water sciences Academicians. It provides a premier technical forum for reporting and learning about the latest research on soil management, plant physiology, Plant disease Management and water nutrient management and other relevant to soil science, plant sciences and water science

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

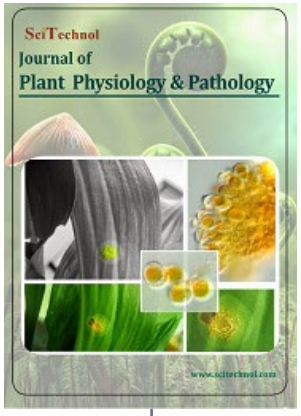

- Soil Health and Management
- Plant Science
- Plant Nutrition
- Water Science
- Water Quality
- Hydrology
- Plant Nutrient Requirements and Management
- Soil and Plant Ecology
- Soil Regeneration
- Soil Physics and Soil Mechanics
- Soil Fertility
- Soil Pollution
- Agricultural and Natural Resources
- Plant and Agro Sciences
- Soil Microbiomes

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

ABOUT ROME

Rome, Italy's capital, is a city where ancient history seamlessly intertwines with modern life. Known as the "Eternal City," Rome boasts a rich cultural heritage, with landmarks like the Colosseum, the Roman Forum, and the Pantheon standing as testaments to its glorious past. The city is also home to Vatican City, the spiritual and administrative center of the Roman Catholic Church, featuring the awe-inspiring St. Peter's Basilica and the Vatican Museums.Beyond its historical and architectural marvels, Rome is a vibrant, bustling metropolis known for its vibrant street life, world-class cuisine, and lively piazzas. From the picturesque Trastevere district to the bustling Spanish Steps, Rome offers a diverse range of experiences. The city's culinary scene, renowned for its traditional Italian dishes, offers everything from rustic trattorias to high-end restaurants.Rome also serves as a hub for academic and scientific endeavors, making it an ideal location for international conferences and events. The city's blend of historical charm and modern amenities provides an inspiring backdrop for gatherings such as the 8th Annual Congress on Soil, Plant, and Water Sciences. Attendees can enjoy not only the cutting-edge research presented at the congress but also the unique cultural and historical experiences that Rome has to offer.
