INVITATION

Dear Esteemed Colleagues,

On behalf of the Organizing Committee, it is with great pleasure that we invite you to the 7th Global Congress on Spine and Spinal Disorders, taking place from October 31 to November 1, 2024, in the vibrant city of Amsterdam, Netherlands. The theme for this year's congress, "Modern Approaches to Spinal Recovery: Innovation, Cure, and Treatment," encapsulates our dedication to advancing spinal health through cutting-edge research, innovative treatment modalities, and comprehensive patient care. This event promises to be a cornerstone for knowledge exchange, bringing together leading experts, researchers, clinicians, and industry professionals from around the world.

Mark your calendars and plan to join us for what promises to be an exceptional gathering of minds dedicated to the advancement of spinal health. Early registration is highly recommended to secure your place at this transformative event.

The Spine Congress 2024 is more than just a conference; it is a pivotal moment for our community to come together, share knowledge, and drive the future of spinal health. Your participation is crucial to the success of this congress, and we are confident that your contributions will help shape the future of spinal recovery and treatment.

We look forward to welcoming you to Amsterdam in October 2024, where together, we will explore new frontiers in spinal health, celebrate our collective achievements, and inspire one another towards continued excellence.

Sincerely,
Organizing Committee
Spine Congress 2024

ABOUT US

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21** Day Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million** Readers and High Visibility
- **1000+** Scientific Associations Collaborations
- **100000+ Facebook** Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals Special

Special Issues : All accepted abstracts will be published in respective UK: Conference Series LLC Ltd Journals Each abstract will be provided with digital Object Identifier by Crossref

ABOUT CONFERENCE

Spine Congress 2024, The primary goal of Spine Congress 2024 is to unite leading academic scientists, researchers, and scholars to exchange and share their experiences and research findings on all facets of spine health and surgery. This event provides a premier interdisciplinary platform for professionals to present and discuss the latest innovations, trends, challenges, and solutions in the field of spine care.The conference will encompass a broad range of topics, including spinal disorders, minimally invasive surgery, spinal biomechanics, pain management, and rehabilitation. Attendees will have the unique opportunity to engage with cutting-edge research and gain insights into the most recent advancements in spine health.What sets Spine Congress 2024 apart is the unparalleled opportunity for speakers and participants to gain global visibility through the presentation of abstracts and research profiles. Additionally, the conference offers extensive networking opportunities before, during, and after the event, fostering collaboration and knowledge sharing among experts in the field. This comprehensive approach ensures a valuable and enriching experience for all attendees..

SPINE CONGRESS 2024 SALIENT FEATURES

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

HOW CONFERENCE SERIES CONFERENCES DIFFERS FROM OTHERS?

- **3000+ Conferences** across the globe in **30+ countries** all through the year
- Over **25 million+ visitors** and **20000+ unique visitors** per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

GOALS

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Spine and Spinal Disorder and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCE

GOALS

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in the field of food safety
- Discuss and apply recent research findings related to food safety
- Reflect on the place of critical distance in food safety

WHO SHOULD ATTEND

7th Global Conference on Spine and Spinal Disorders, Conferences are exclusively designed for is exclusively designed for Our point is to the corporate network and to make a stage for the trading of data on innovative advancements, new logical modernization and the viability of different administrative projects towards **Spine Congress 2024.** The use of Molecular Approaches in all parts of the cutting edge Surgery and prevention field. This meeting likewise centers around a wide assortment of momentum look into on sanitation and wellbeing that have both useful and pernicious impacts on the security and nature of nourishments, and are along these lines a worry of general wellbeing.

ABOUT HOSTING ORGANIZATION

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000 + Editorial Board Members, 1000+ Scientific Societies**. All the conference proceedings are published in the special issues of our **700+ Open Access International Journals with the DOI** provided by Crossref

PARTICIPATION OPTIONS

- Speaker (special session): 45-50 minutes (more than 1 can present)
- Speaker (symposium): more than 45 minutes (more than 1 can present)
- Delegate(only registration): will have access to all the sessions with all the benefits of registration
- Poster presenter: can present a poster and enjoy the benefits of delegate
- Remote attendance: can participate via video presentation or e-poster presentation
- Exhibitor: can exhibit his/her company's products by booking exhibitor booths of different sizes
- Media partner
- Sponsor
- Collaborator
- For more details about each mode, kindly contact: spinedisorders@meetingsemail.com

MAJOR SESSIONS

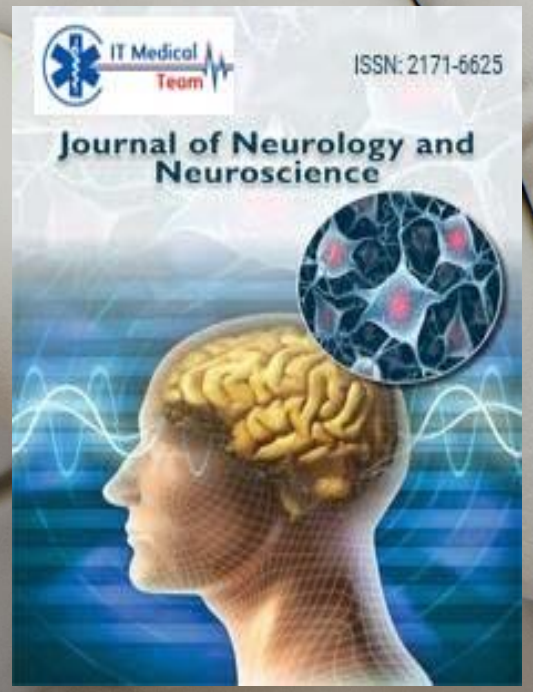

- Spine Surgery
- Degenerative Disc Disease
- Minimally Invasive Spine Surgery
- Adolescent Idiopathic Scoliosis
- Adult and Pediatric Spinal Deformities
- Spinal Cord Injury
- Surgical Approaches to the Spine
- Robotic Technology in Spine Surgery
- Aging Spine and Spinal Fracture
- Diagnosis of Spinal Disorders
- Spinal Rehabilitation and Nursing Care
- Spinal Arthroplasty and Motion Preservation
- Metastatic and Primary Spinal Tumours
- Neuro Spinal Complications
- Spinal Pathology
- Spinal Imaging
- Case Reports and Debate on Spinal Disorders
- Neuromuscular/Syndromic Deformity
- Spasticity, Spinal Pain, and Spinal Infection
- Non-Op Treatment Methods
- Spinal biologics
- Imaging Modalities in Spinal Radiology
- Navigation assisted Spine Surgery
- Radiomics and Artificial Intelligence (AI)
- Spinal Interventional Radiology
