8th World Congress and Expo on

Stem Cell Research 2017

Cell & Stem Cell Research

Theme: Explore and Exploit the Novel Techniques in Cell and Stem Cell Research

Conference URL: stemcell.conferenceseries.com

Stem Cells: A future Hope, The success of the 7th Cell Science conference series has given us the prospect to bring the gathering one more time for our 8th World Congress and Expo on Cell & Stem Cell Research 2017 meet in Orlando, USA. Since its commencement in 2011 Cell Science series has witnessed around 800 researchers of great potentials and outstanding research presentations from around the world. Awareness of stem cells and its application is becoming popular among the general population. Parallel offers of hope add woes to the researchers of cell science due to the potential limitations experienced in the real-time.

Stem Cell Research 2017 will encompass recent researches and findings in stem cell technologies, stem cell therapies and transplantations, current understanding of cell plasticity in cancer and other advancements in stem cell research and cell science.

Keynote Speakers

Christian Drapeau
Stemtech International, Inc., USA

Mahendra Rao
NYSCF and Q therapeutics, USA

Haval Shirwan
University of Louisville, USA

Paul J Davis
Albany College of Pharmacy and Health Sciences, USA

Diana Anderson
University of Bradford, UK

Georg F Weber
University of Cincinnati, USA

Conference Topics & Highlights

- Stem cells
- Stem cell banking
- Stem cell therapy
- Stem cell technologies
- Stem cell biomarkers
- Stem cells and cancer
- Stem cell niches
- Regeneration and Therapeutics
- Cell rejuvenation
- Stem cells and veterinary applications
- Tumour cell science
- Cellular therapies
- Cellular plasticity and reprogramming
- Stem cell treatment: applications and obstacles
- Cell differentiation and disease modeling
- Stem cell apoptosis and signal transduction
- Cell and Organ Regeneration
- Reprogramming stem cells: computational biology

Meet our Potential Speakers @ Cell and Stem Cell Research-2017

Joseph Purita
Director Institute of Regenerative and Molecular Orthopedics, USA

Dennis Lox
Director Sports and Regenerative Medicine Centers, USA

Khalid Shah
Harvard Medical School, USA

Why Video Presentations?

Unavailability to travel due to various issues such as time constraint and visa to enter the country. Video presentation is one best option to put across your research at a global platform. Having video played at the conference proceedings, would surely serve the purpose of online visibility for your research.

- No Travel Plan & Agreements
- No Visa Issues
- No Appointment to be cancelled
- No Break from the regular schedule

OCM certification

Every conference is been signed by an eminent member related to the topic of the respective conference. Having the certificate signed by the eminent personality to related field of your research would add an value to your research

Upon participating, OCM hard copy certification would be sent to respective participant

CPD Certification:

The Video Presenter may avail up to 20 CPD Credits

Duration of Video Presentation: Every video presentation would receive 10-15 minutes time span to play the video as a part of scientific program

Acknowledgements, Review & Communications of Session Chairs & Speakers:

Your Video will be represented by one of our scientific committee member. After the presentation, session chairs will call for queries from the session co-chairs and the rest of the speakers in the session.

Soon after the conference, all the communications from the session Chair and co speakers will be mailed to you.

Abstract Publication:

Abstract will be Published in the Conference souvenir and respective International journals

A unique DOI will be provided for your abstract

Your title and Full affiliation will be listed in the final Program

How to Proceed?

Submit your abstract with biography and PPT (Power Point Presentation) to respective conference email id or along with the name of the conference.

Upon submitting the abstract, you would receive an acknowledgment from any of the Program Manager within 24 hours.

Simply record your Presentation through camera/ Phone with high clarity and send the same to conference email ids.
