WELCOME ADDRESS

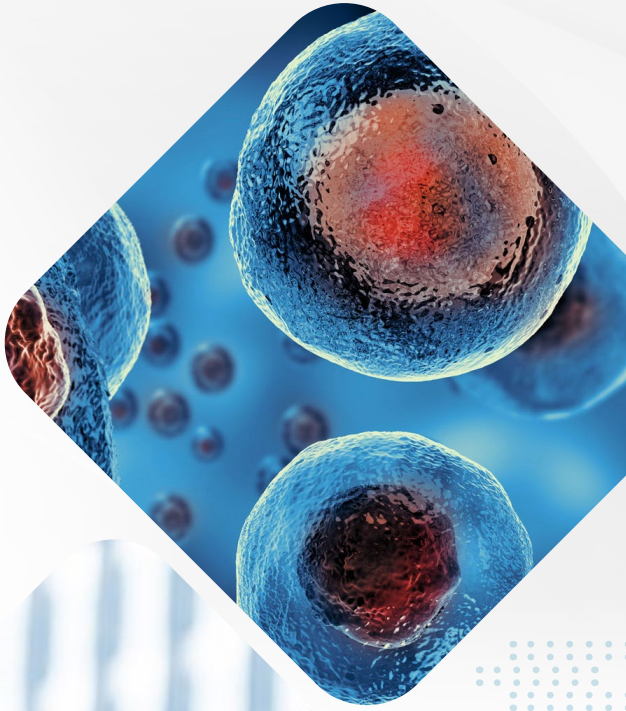

Dear Attendees,

The Stem Cell 2024 Organizing Committee is absolutely delighted to welcome you to the **20th Global Summit on Stem Cell & Regenerative Medicine** which will be held in **London, UK** on **June 27-28, 2024,** where we will be shining a spotlight on *"Bioethics and Policy in Stem Cell Research and Next-generation Technologies in Regenerative Medicine"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Stem Cell & Regenerative Medicine. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Stem Cell 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Stem Cell 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Stem Cell & Regenerative Medicine.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Stem Cell.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

Stem Cell 2024 Conference website is attracting 56000+ Stem cell influencer's including Stem cell researchers and academicians, Doctorates in Bio- Sciences, Regenerative medicine Lab Directors/Associates, Professors of Life sciences, Biobanking Researchers, Biobanking Faculty, Medical Colleges, Biobanking Associations and Societies, Business Entrepreneurs, Training Institutes, Professors and Students.. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference

Who Should Attend?

Stem Cell 2024 Conference website is attracting 80000+ Data Scientists, public health experts,Business Delegates, Industrial Experts, Data Base Engineers, Scientists, Researchers, Professors, President/Vice president, Chairs/Directors, Students, Speakers, Exhibitors, Experts and Delegates.

Why to Attend?

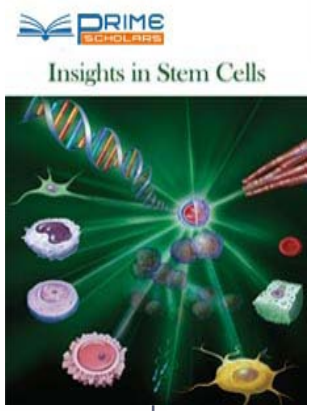

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Stem Cell Research
- Stem Cell and Regenerative Medicine
- Tissue Engineering and 3D Cell Culture
- Gene and Cell Therapy
- Ageing Theories in Stem Cell
- Epigenetics and Stem Biology
- Stem Cell Apoptosis and Signal Transduction
- Genome Editing Technology
- Tissue-Engineered Disease Models
- Clinical Tissues Analysis
- 3D Bio-Printing and Organ Printing
- Cell Culture and Bioprocessing
- Genome Editing
- Advanced Gene Therapeutics
- Genetics & Genomic Medicine
- Ethical Issues in Cell and Gene Therapy
- Cell Therapy for Cardiovascular and Neurological Disorders
