

STEM CELL CONGRESS 2021

15th World Congress on

TISSUE ENGINEERING, REGENERATIVE MEDICINE AND STEM CELL RESEARCH

November 08-09, 2021 | Singapore City, Singapore

Theme: "Recent Developments and New Innovations in the field of Stem Cell, Tissue Engineering and Regenerative Medicine"

https://stemcell-regenerativemedicine.conferenceseries.com/ stemcellcongress@alliedmeetings.com

INVITATION

FOR CONFERENCE

STEM CELL CONGRESS 2021

DEAR COLLEAGUES,

Stem Cell Congress 2021 Welcomes you to attend "CPD Accredited 15th World Congress on Tissue Engineering, Regenerative Medicine and Stem Cell Research" during November 08-09, 2021 at Singapore City, Singapore with the theme "Recent Developments and New Innovations in the field of Stem Cell, Tissue Engineering and Regenerative Medicine". This International meet (Stem Cell Congress 2021) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current technologies involved in Stem Cell Congress. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class Dermatology associations.

PREVIOUS ORGANIZING COMMITTEE MEMBERS

Myles Suehiro
Hawaii Institute for health and healing LLc, USA

Wa xian
University of Texas Health Science Centre,USA

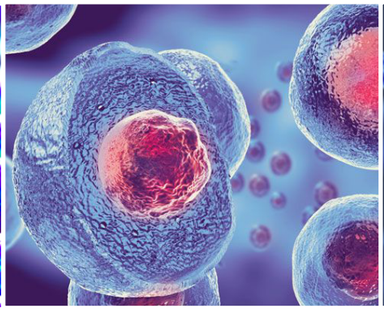

Bekir Cinas
Clark Atlanta University, USA

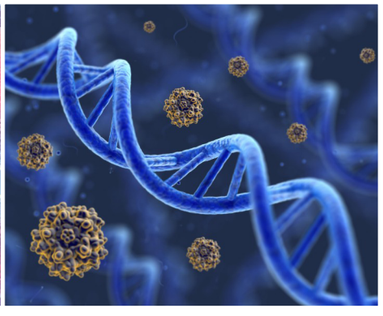

Registration:

Abstract Submission:
https://stemcell-regenerativemedicine.conferenceseries.com/abstract-submission

SINGAPORE CITY, SINGAPORE

AGENDA

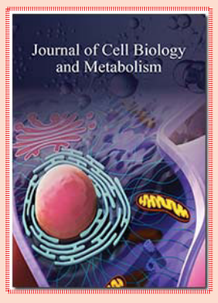

DAY-1	TIME/SESSIONS
09:00-10:00	KEYNOTE/PLENARY TALK NO: 1
10:00-10:15	COFFEE/TEA BREAK
10:15-13:00	SESSIONS
13:00-13:30	LUNCH BREAK
13:30-15:30	SESSIONS
15:30-15:45	COFFEE/TEA BREAK
15:45-17:30	SESSIONS

DAY-2	TIME/SESSIONS
09:00-10:00	KEYNOTE/PLENARY TALK NO: 2
10:00-10:15	COFFEE/TEA BREAK
10:15-13:00	SESSIONS
13:00-13:30	LUNCH BREAK
13:30-15:30	SESSIONS
15:30-15:45	COFFEE/TEA BREAK
15:45-17:30	SESSIONS

I SUPPORTING JOURNALS I

CONFERENCE HIGHLIGHTS

- Stem Cells
- Tissue Engineering
- Stem Cells and Disease Modeling
- Biobanking
- Stem Cell & Regenerative Medicine research and development
- COVID-19 and Convalescent Plasma
- Cell and Gene Therapy
- Novel Stem Cell Techniques
- Stem Cells and Veterinary Applications
- Cancer Stem Cell and Oncology
- Bone Marrow Transplantation
- Cell Therapy for Cardiovascular and Neurological Disorders
- Biomaterials and Biomedical Applications
- Stem Cell in Drug Discovery
- Advances in Stem Cells and their Niches
- Translational Research in Stem Cell Assessments
- 3D Bio-Printing and Organ Printing
- Cell Biology

CONFERENCE SESSIONS

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, research oriented, experimental or theoretical work in all areas of Tissue Engineering, Regenerative Medicine and Stem Cell Research are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

UNIQUE FEATURES

The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows.

Accepted Abstracts will be published in the respective journals and will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref (Free abstract publishing).

Lifetime Speaker and Abstract pages created and indexed in Google on your name, would get worldwide acknowledgment to your profile and Research.

Group of attendees from the same lab/institute/university (or) anyone who wish to attend the conference will be eligible for discounts.

For Students Best Poster and Young Researcher Award.

YOUTH FORUM

ELIGIBILITY

Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.

Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

BENEFITS

The forum will provide an opportunity for collegial interaction with other speakers and established celebrative across the globe.

Young Researcher Award will be given to the best presentation by the organizing committee member.

SPEAKER'S PPT

You may submit your presentation to any of our onsite organizers on the day of your talk. If your presentation is not compatible with our laptops, then you may also use your own laptop.

POSTER GUIDELINES

This competition is open to all students (Graduates, Post Graduates and Research Scholars not above the age of 35).

The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.

The abstract should include complete details of the contestant (e.g., abstract title, name, affiliation, abstract and biography etc).

Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

ABOUT VENUE

Singapore, city-state situated at the southern tip of the Malay Peninsula , around 85 miles (137 kilometers) north of the Equator. It comprises of the precious stone formed Singapore Island and a couple 60 little islets; the most island involves about around 18 square miles of this joined territory. The fundamental island is isolated from Peninsular Malaysia toward the north by Johor Strait, a limited channel went across by a street and rail interstate that is very a large portion of a mile long. The southern furthest reaches of the state go through Singapore Strait, where exceptions of the Riau-Lingga Archipelago—which frames a piece of Indonesia—stretch out to inside 10 miles of the primary island.

Singapore is that the biggest port in Southeast Asia and one among the busiest inside the world. It owes its development and success to its central situation at the southern limit of the Malay Peninsula , where it overwhelms the Strait of Malacca, which interfaces the Indian Ocean toward the South China Sea. When a British settlement and now an individual from the Commonwealth, Singapore originally joined the Federation of Malaysia on its development in 1963 however withdrew to turn into a free state on August 9, 1965.
