INVITATION FOR CONFERENCE

DEAR
COLLEAGUES,

Welcome to the "**17th World Congress on Stem Cell Research**". We are so excited to have you as a part of this incredible brain-storming event focused on pushing the boundaries of stem cell research. Let's engage in deep conversations, exchange knowledge, and establish partnerships that will influence the direction of regenerative medicine over the coming days. Together, let's push the envelope of what is possible and discover new frontiers in our endeavour to fully utilize stem cells' amazing potential for innovation and healing. Greetings, and together let us turn this conference into a truly remarkable voyage of inspiration and learning.

Venue & Accommodation

Paris, France

Paris, France

Paris, the capital of France, is a city of unparalleled charm and cultural significance. Nestled along the banks of the Seine River, this iconic metropolis is renowned for its timeless beauty, from the awe-inspiring Eiffel Tower to the world-class art treasures housed in the Louvre Museum. Paris is a haven for fashion enthusiasts, with its haute couture boutiques and trendsetting designers, and it boasts a gastronomic scene that tantalizes the taste buds with exquisite cuisine and fine wines. Paris is a global center for art, literature, and intellectual discourse, drawing creatives and scholars from around the world. Paris, often referred to as the "City of Light," is an enchanting metropolis that stands as a symbol of culture, art, and history. Paris is a testament to the fusion of the old and the new, where cobblestone streets wind their way through neighborhoods that have witnessed centuries of history, while sleek modern buildings rise to meet the sky in bustling business districts.

Paris is also a city of ideas, a place where intellectuals, writers, and philosophers have gathered for centuries to engage in spirited debates. The Sorbonne University, with its rich academic tradition, continues to foster intellectual discourse.
