INVITATION FOR CONFERENCE

DEAR
COLLEAGUES,

Stemgen 2024 welcomes you to attend "**7th Annual Conference on Stem Cell and Regenerative Medicine**" slated to hold on **July 15-16, 2024** at **London, UK** with theme "Pioneering Novel Trends and Revolution in Stem Cell Research". This International meet (Stemgen 2024) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current technologies involved in Stem Cell and Regenerative Medicine. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class surgeons.

What's in store for 2024?

- 3D bioprinting using Stem Cells
- Applications of Stem Cells
- Regenerative Therapy in Osteoarthritis
- Dental Stem Cell
- Bio Banking
- Cancer Stem Cell and Oncology
- Stem Cell and Tissue Engineering
- Regenerative Medicine
- Stem Cell Therapy
- Cell and Gene Therapy
- The use of Stem Cells for COVID-19 Therapy

Stem Cell and Regenerative Medicine Congress

Renowned Speakers 2024

Jianping Fu

Professor, University of Michigan, Ann Arbor

Kara McKinley

Assistant Professor, Harvard University

Katie Galloway

Professor, MIT

Mehdi Jorfi

Faculty, Harvard Medical School

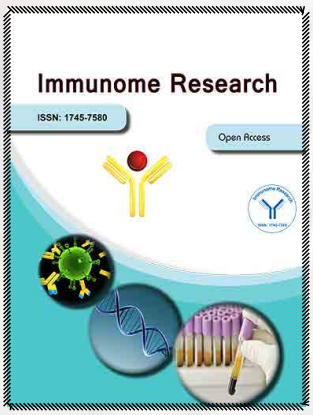

Selected contributions will be published in following Conference Series Journals Supported By

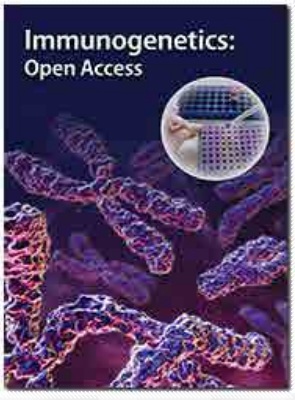

→ Journal of Stem Cell Research & Therapy

→ Immunome Research

→ Immunogenetics: Open Access

Tentative Agenda

Day 1 July 15, 2024

Opening Ceremony

Conference Souvenir Launch

Pioneering Novel Trends and Revolution in Stem Cell Research

Keynote Forum (& Exhibitions Full day)

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

Group Photo

Speaker Forum

Sessions Chair's Introduction

Session 7: Stem Cell and Tissue Engineering

Session 8: Stem Cell Therapy

Session 9: Cell and Gene Therapy

Session 10: The use of Stem Cells for COVID-19 Therapy

Panel discussions and Reviews

Lunch Break

Session 11: 3D bioprinting using Stem Cells

Session 12: Applications of Stem Cells

Panel discussions and Reviews

Young Research Forum

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

B2B Meetings

Day 2 July 16, 2024

Opening Ceremony

Conference Souvenir Launch

Pioneering Novel Trends and Revolut[io]n in Stem Cell Research

Keynote Forum (& Exhibitions Full day)

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

Group Photo

Speaker Forum

Sessions Chair's Introduction

Session 7: Regenerative Medicine research and development

Session 8: Regenerative Therapy in Osteoarthritis

Session 9: Dental Stem Cell

Session 10: Bio Banking

Panel discussions and Reviews

Lunch Break

Session 11: Stem Cells and Disease Modelling

Session 12: Cancer Stem Cell and Oncology

Panel discussions and Reviews

Young Research Forum

(Panel discussions and Reviews)

Coffee Break: Networking & Refreshments

B2B Meetings

Closing Ceremony

Venue & Accommodation

London, UK

London, UK

London, city, capital of the United Kingdom. It is among the oldest of the world's great cities its history spanning nearly two millennia and one of the most cosmopolitan. By far Britain's largest metropolis, it is also the country's economic, transportation, and cultural centre.

If the border of the metropolis is well defined, its internal structure is immensely complicated and defies description. Indeed, London's defining characteristic is an absence of overall form. It is physically a polycentric city, with many core districts and no clear hierarchy among them. London has at least two (and sometimes many more) of everything: cities, mayors, dioceses, cathedrals, chambers of commerce, police forces, opera houses, orchestras, and universities. In every aspect it functions as a compound or confederal metropolis.

Main attractions: The London Eye, The View from the Shard, Madame Tussauds, Shrek's Adventure! London, The London Dungeon.

Important Dates

Abstract Submission Opens: December 01, 2023

Registration Opens: December 01, 2023

Early Bird Registration: May15, 2024

On Spot Registration: July 15, 2024
