# INVITATION

## STEMGEN 2026

Dear Attendees,

STEMGEN 2026 cordially invites you to attend the 9th Annual Conference on Stem Cell and Regenerative Medicine, scheduled to take place on September 24–25, 2026, in Tokyo, Japan under the theme "Advancing Stem Cell Science for Next-Generation Regenerative Medicine". This prestigious international conference is expected to bring together a global gathering of stem cell researchers, regenerative medicine specialists, clinicians, academicians, biotechnology professionals, healthcare experts, and industry leaders.

The scientific program will feature keynote lectures by distinguished speakers, oral presentations by leading experts, poster sessions by young researchers and students, and interactive discussions covering the latest developments in stem cell research and regenerative medicine. The conference will highlight advancements in stem cell biology, tissue engineering, cellular therapies, gene editing technologies, translational research, and clinical applications in regenerative healthcare.

STEMGEN 2026 aims to provide a dynamic platform for sharing scientific knowledge, discussing innovative technologies, and addressing current challenges in stem cell science and regenerative medicine. The conference will also offer valuable opportunities for international networking and collaboration with renowned professionals and organizations in the field.

We look forward to welcoming you to Tokyo for an enriching scientific and professional experience.

Warm regards,
Christian Lauren | Program Manager
Organizing Committee | STEMGEN 202

## CONFERENCE HIGHLIGHTS

- Stem Cell Biology and Cellular Mechanisms
- Regenerative Medicine and Tissue Engineering
- Mesenchymal Stem Cells (MSCs) in Therapy
- Induced Pluripotent Stem Cells (iPSCs) and Reprogramming
- Stem Cells in Neurological and Neurodegenerative Disorders
- Cancer Stem Cells and Oncology
- Gene Editing and CRISPR Technologies
- Biomaterials and Nanotechnology in Regenerative Medicine
- Stem Cell Banking and Cryopreservation
- Cardiovascular Regeneration
- Regenerative Dentistry and Craniofacial Applications
- Clinical Trials and Translational Stem Cell Research
- Ethical, Legal, and Social Implications in Stem Cell Research
- Artificial Intelligence and Computational Biology in Regenerative Medicine
- Future Trends: Organoids, Bioengineering, and Next-Generation Therapies

# CONFERENCE AGENDA

## SEPTEMBER 24, 2026 | THURSDAY

| | |
|---|---|
| 08:30-09:30 | Registrations |
| 09:30-11:30 | Keynote Forum |
| | Group Photo |
| 11:30-11:45 | Network & Refreshments Break* |
| 11:45-13:00 | Tracks: Overview of Stem Cell Biolog |
| 13:00-13:45 | Lunch Break** |
| 13:45-16:00 | Tracks: Stem Cells in Cancer Therapy |
| 16:00-16:15 | Network & Refreshments Break* |
| 16:15-18:00 | Tracks: Regenerative Medicine in Obesity-Related Disorders |
| | Day Concludes |

## SEPTEMBER 25, 2026 | FRIDAY

| | |
|---|---|
| 08:30-09:30 | Registrations |
| 09:30-10:30 | Keynote Forum |
| 10:30-11:30 | Tracks: Hematopoietic Stem Cell Transplantation |
| 11:30-11:45 | Network & Refreshments Break* |
| 11:45-13:00 | Tracks: Exosomes & Cell-Free Therapies |
| 13:00-13:45 | Lunch Break** |
| 13:45-16:00 | Tracks: Wound Healing & Skin Regeneration |
| 16:00-16:15 | Network & Refreshments Break* |
| 16:15-18:00 | Tracks: Immune Regeneration |
| | Day Concludes \| Award Ceremony |

# REGISTRATION PRICES

### ACADEMIC

**€449**

REGISTRATION

**€630**

PACKAGE A
[Registration
2- Nights Accommodation]

**€810**

PACKAGE B
[Registration
3- Nights Accommodation]

### BUSSINES

**€499**

REGISTRATION

**€999**

PACKAGE A
[Registration
2- Nights Accommodation]

**€1099**

PACKAGE B
[Registration
3- Nights Accommodation]

### STUDENT

**€490**

STUDENT YRF

**€949**

PACKAGE A
[Registration
2- Nights Accommodation]

**€1049**

PACKAGE B
[Registration
3- Nights Accommodation]

# ABOUT VENUE

Tokyo is widely recognized as one of the world's most dynamic and technologically advanced cities, known for its remarkable blend of tradition and innovation. As the capital of Japan, Tokyo is home to over 13 million residents and stands as one of the most visited metropolitan cities in Asia. The city is famous for its modern skyline, historic temples, cultural heritage, and globally admired hospitality. Tokyo has long been a center of economic growth, scientific advancement, and cultural influence, making it an important destination for international conferences and global collaborations.

The city offers a unique balance between traditional Japanese culture and cutting-edge modern development. Visitors can explore historic landmarks such as ancient shrines and gardens while also experiencing advanced technology, world-class transportation, and vibrant urban districts. Tokyo is also internationally known for its cuisine, fashion, architecture, and contributions to science and innovation. From peaceful cultural sites to bustling commercial centers, the city reflects the diversity and creativity of Japanese society. With its rich history, global connectivity, and welcoming atmosphere, Tokyo provides an ideal setting for academic exchange, professional networking, and scientific advancement.

# REGISTRATION BENEFITS

- Conference pass for all 2 days
- Refreshments and Lunch during the conference
- Abstract Book and conference material
- Individual Certificates by the organizing committee
- Abstract publication in the conference proceeding Journal
- Promotion of your profile/research in Social Media
- Global Networking with all the Business Delegates
