INVITATION

STEM CELL & REGENERATIVE MEDICINE 2026

Dear Attendees,

Stem Cell & Regenerative Medicine 2026 welcomes you to attend the "9th Annual Conference on Stem Cell and Regenerative Medicine" scheduled to be held on April 16–17, 2026 in Tokyo, Japan, with the theme "Advancing Stem Cell Innovation for Future Regenerative Therapies."

This international meet anticipates hundreds of delegates, including keynote speakers, oral presentations by renowned experts, and poster presentations by young researchers, along with participants from around the world. This conference will be a significant event that creates an ideal platform to share expertise and discuss the latest advances, technologies, and research developments in Stem Cell Biology, Regenerative Medicine, Tissue Engineering, and Cellular Therapies.

It will be a wonderful opportunity for all attendees, as it provides a global networking platform to collaborate with leading scientists, clinicians, researchers, and industry professionals in the field of regenerative science.

Regards,
Edward Harrison | Program Manager
Organizing Committee | Stem Cell & Regenerative Medicine 2026

CONFERENCE HIGHLIGHTS

- Stem Cell Biology and Cellular Mechanisms
- Regenerative Medicine and Tissue Engineering
- Mesenchymal Stem Cells (MSCs) in Therapy
- Induced Pluripotent Stem Cells (iPSCs) and Reprogramming
- Stem Cells in Neurological and Neurodegenerative Disorders
- Cancer Stem Cells and Oncology
- Gene Editing and CRISPR Technologies
- Biomaterials and Nanotechnology in Regenerative Medicine
- Stem Cell Banking and Cryopreservation
- Cardiovascular Regeneration
- Regenerative Dentistry and Craniofacial Applications
- Clinical Trials and Translational Stem Cell Research
- Ethical, Legal, and Social Implications in Stem Cell Research
- Artificial Intelligence and Computational Biology in Regenerative Medicine
- Future Trends: Organoids, Bioengineering, and Next-Generation Therapies

CONFERENCE AGENDA

APRIL 16, 2026 | THURSDAY

08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Stem Cell Biology and Cellular Mechanisms
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Regenerative Medicine and Tissue Engineering
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Mesenchymal Stem Cells (MSCs) in Therapy
	Day Concludes

APRIL 17, 2026 | FRIDAY

08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Induced Pluripotent Stem Cells (iPSCs) and Reprogramming
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Cancer Stem Cells and Oncology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Stem Cells in Neurological and Neurodegenerative Disorders
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Biomaterials and Nanotechnology in Regenerative Medicine
	Day Concludes | Award Ceremony

REGISTRATION PRICES

ACADEMIC

€ 549

REGISTRATION

€1059

ABOUT VENUE

Tokyo, the vibrant capital of Japan, is a city where tradition and modern innovation blend seamlessly. Known for its breathtaking skyline, cutting-edge technology, and rich cultural heritage, Tokyo offers an unforgettable experience for visitors from around the world. From historic temples and serene gardens to futuristic architecture and bustling shopping districts, the city reflects a perfect harmony of the old and the new.

As a global hub for science, medicine, and advanced research, Tokyo serves as an ideal destination for international conferences and academic gatherings. Attendees can enjoy world-class hospitality, efficient transportation, and a wide range of culinary delights while exploring one of the safest and most exciting cities in the world. Whether you wish to discover Japanese culture, network with global experts, or simply enjoy the beauty of the city, Tokyo promises a truly enriching experience.

REGISTRATION BENEFITS

- Conference pass for all 2 days
- Refreshments and Lunch during the conference
- Abstract Book and conference material
- Individual Certificates by the organizing committee
- Abstract publication in the conference proceeding Journal
- Promotion of your profile/research in Social Media
- Global Networking with all the Business Delegates
