SPEAKER SLOTS AVAILABLE

Title: Acceptance and Commitment Therapy

Najiha Syeda
UAE

Acceptance and Commitment Therapy (ACT) may seem confusing. How do acceptance and commitment paired with **mindfulness** form an effective treatment? If you are aiming to be more accepting of your thoughts and feelings, how does commitment play a role? What are you committing to?

Title: A Study on Impact of Health and Well Being Initiatives among College Teachers

Dr S.Sumayaa
Thassim Beevi Abdulkader College For Women
India

Both depression and anxiety are far more common in women than in men, and with the preponderance of women in teaching, it's highly likely that the rate of teacher depression and anxiety dwarfs the statistics for the population at large. Wellbeing is a positive state related to the enjoyment of life, feeling connected to others, the ability to deal with challenges, and having a strong sense of purpose and control. Wellbeing covers all facets of life, including mental, spiritual, physical and social wellbeing. Wellbeing is important as it contributes to a person's overall mental health. It is well acknowledged that teachers are the most important in college factor contributing to student success, satisfaction and achievement, and that teacher wellbeing is deeply connected to the quality of their work.

Title: A Study on Coping Strategies of Stress Free Environment among Self Financing College Teachers

Dr A.Jasmine
Thassim Beevi Abdulkader College For Women
India

Happiness is an inner state of mind. But there is nothing fixed in this ever changing world, ups and downs in our life, increase the importance of happiness which makes happiness and sadness two sides of a coin. Happy people have younger hearts, younger arteries, and a younger real age. Happy people recover more quickly from surgery, cope better with pain, have lower blood pressure, and have longer life expectancy than unhappy people.

SPEAKER SLOTS AVAILABLE

Title: Misdiagnosing Personality Disorders as Anxiety Disorders

Sam Vaknin
Southern Federal University
Russia
