LONDON, UK - ATTRACTIONS

About London, UK:

London is the capital city of England and the United Kingdom. It is the most populous city in the United Kingdom with a metropolitan area of over 13 million inhabitants. London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transport all contributing to its prominence. London became a Centre for the worldwide youth culture, exemplified by the Swinging London subculture associated with the Kings Road, Chelsea and Carna by Street. The city is split by the River Thames into North and South, with an informal central London area in its interior. London is the most populous city and metropolitan
area of the European Union and the second most populous in Europe.
