WELCOME ADDRESS

Dear Attendees,

The Stroke Congress 2024 Organizing Committee is absolutely delighted to welcome you to the **14th International Conference on Neurological disorders & Stroke** which will be held in **Zurich, Switzerland** on **October 24-25, 2024,** where we will be shining a spotlight on ***"Role of inflammation and the immune system in neurological disorders"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Stroke research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities Paris. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2023 for an experience of a lifetime.

With Regards
Stroke Congress 2024

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Stroke Congress 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT CONFERENCE

Who Should Attend?

Stroke Congress 2024 Conference website is attracting 56000+ Research Scientists, Students, Academic Faculty, Neurologists, Neurosurgeons, Professors, Clinical Neurologists, Occupational Therapists, Physiotherapists Cognitive Behavioural Therapists etc,. related to Neurological Disorders and its research.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Neurodegenerative Diseases: Updates on Alzheimer's, Parkinson's
- Stroke and Cerebrovascular Diseases: Advances in Diagnosis and Treatment
- Neuroimaging Techniques: Latest Developments in Imaging Technologies
- Neurocardiology: Study of the interaction between the brain and the cardiovascular system
- Neurogenetics and Neurological Disorders: From Genes to Clinical Practice
- Cognitive Impairment in Neurological Disorders: From Assessment to Intervention
- Neurophotonics: Harnessing Light to Explore the Nervous System
- Neurological Complications of COVID-19: Understanding the Impact and Management
- Ethical Issues in Neurological Research and Practice: Balancing Innovation and Patient Rights
- Neuropharmacology: Exploring Drug Effects on the Nervous System

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Magnus S Magnusson
University of Iceland, Iceland

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

N. Baydogan
Energy Institute, Istanbul, Turkey

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Adiguzel Osman
Firat University, Turkey

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Maria Vorobyeva
JINR, Russia

The conference was well organized and the committee was outstanding in keeping the whole event lively.

John McClellan Marshall
Fourteenth Judicial District of Texas, USA

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Thomas Prevenslik
QED Radiations, Germany

ABOUT ZURICH

Zurich, Switzerland, nestled amidst the stunning Swiss Alps, is renowned as a global financial hub, cultural hotspot, and a haven for innovation. Its picturesque landscapes, rich history, and vibrant urban life make it a captivating destination for visitors from around the world.Zurich stands as one of the world's leading financial centers, home to numerous multinational banks, insurance companies, and financial institutions. Its stable economy, favorable business environment, and strong infrastructure attract businesses and investors alike. Zurich has emerged as a thriving hub for innovation and technology, with a burgeoning startup ecosystem and world-class research institutions such as ETH Zurich and the University of Zurich. The city fosters collaboration between academia, industry, and government, driving forward advancements in fields like fintech, biotech, and artificial intelligence. Zurich consistently ranks among the world's most livable cities, boasting high standards of living, excellent healthcare, and an efficient public transportation system. Its pristine parks, scenic lakeside promenades, and outdoor recreational activities offer residents and visitors alike a refreshing escape from city life. Wander through Zurich's charming old town, with its cobblestone streets, medieval churches, and historic landmarks such as the Grossmünster and Fraumünster churches. Explore the city's rich history at museums like the Swiss National Museum and the Museum of Art.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Speaker Registartion: € 599
Delegate Registration: € 499
Package A(Registration + 2 Nights Accommodation) : € 1049
Package B(Registration + 3 Nights Accommodation): € 1149

Business

Speaker Registation : € 649
Delegate Registration: € 549
Package A(Registration + 2 Nights Accommodation) : € 1249
Package B(Registration + 3 Nights Accommodation): € 1349
Exhibitor: € 1499

Student

Student Delegate: € 349
Young Researcher Forum: € 399

Important Dates

Abstract submission opens: May 10, 2024
Registration opens: May 10, 2024
On spot registration: October 24, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
