4th Annual Congress on Stroke and Neurological Disorders

About Conference

- After the series of successful conferences, we take pleasure to announce “4th Annual Conference on Stroke and Neurological Disorders” scheduled during November 12, 2021, Webinar. The main agenda of the conference is “Building a Better World without Disorders”. The congress was packed with several interactive sessions, workshops, and keynote, oral, and poster presentations. The congress aims to bring together neuroscientists, neurosurgeons, neurotherapists, neurophysicians, neuropsychiatrists, pharmacists, researchers, professors, industry leaders, academicians, business delegates from all around the globe to discuss recent developments and future trends in the treatment of stroke and neurological disorders.

November 12, 2021
