8th International Conference on Surgeons

About Conference

April 22, 2022 | Webinar

ME Conferences takes a lot of privilege to welcome everyone across the globe to explore their knowledge about their respective surgical fields at 8th International Conference on Surgeons.

The SURGEONS CONF 2022 attempts to bring prestigious researchers, Physicians, Surgeons, Professors, Instrumentalists, Medical and Industrial professiaonals, under a single solitary rooftop, in this way giving every one of them a stage to share information and the different scientific headways of the current circumstances, in the field of Surgery and aides in empowering future research exercises. It is the one among the best platform to discuss the innovative researches and developments in the field of surgery and the surgical instrumentation.
