INVITATION FOR CONFERENCE

DEAR
COLLEAGUES,

Conference Series proudly invites you to the "2nd Annual Conference on Surgery", scheduled to be held during September 16-17, 2024 in Paris, France. Participants are encouraged to focus on the theme, "Global Collaboration In Surgery." These events will serve as a platform for exchanging knowledge, advancements, and ideas in the field of surgery, offering opportunities to learn about effective ways to improve healthcare outcomes and enhance medical technology.

THE SURGERY CONFERENCES 2024 is designed for Surgeons, Physicians, Health Care Professionals, Professors, Medical Directors, and students actively engaged in this field. The conference will feature prompt keynote presentations, oral talks, poster presentations, video presentations, exhibitions, symposiums, workshops, and a Young Researcher's Forum focusing on the latest treatments and innovative methods in surgery.

Venue & Accommodation

Paris, France

Paris, France

Paris is the capital and most populous city of France. The City of Paris is the centre of the Île-de-France region, or Paris Region, with an official estimated population of 12,271,794 inhabitants on 1 January 2023, or about 19% of the population of France, The Paris Region had a GDP of €765 billion (US$1.064 trillion, PPP) in 2021, the highest in the European Union. According to the Economist Intelligence Unit Worldwide Cost of Living Survey, in 2022, Paris was the city with the ninth-highest cost of living in the world.

Paris is a major railway, highway, and air-transport hub served by two international airports: Charles de Gaulle Airport (the third-busiest airport in Europe) and Orly Airport. Opened in 1900, the city's subway system, the Paris Métro, serves 5.23 million passengers daily; it is the second-busiest metro system in Europe after the Moscow Metro. Gare du Nord is the 24th-busiest railway station in the world and the busiest outside Japan, with 262 million passengers in 2015. Paris has one of the most sustainable transportation systemsand is one of the only two cities in the world that received the Sustainable Transport Award twice.
