Welcome to the participants of Surgical Pathology 2018 in Rome.

Rome, Italy welcomes all pathologists, pathologists in training, cancer care physicians, researchers, and students to attend the "14th International Conference on Surgical Pathology & Cancer Diagnosis" (Surgical Pathology 2018), which is slated to be held May 17-18, 2018.

The conference will provide a forum for the discussion of cutting edge topics in cancer diagnostics and advances in anatomical pathology with enthusiastic speakers from around the world presenting to an international audience. Your participation is encouraged.

**Charles D. Sturgis, M.D.**
**Cleveland Clinic, USA**
